Preliminary list of participants - 26/10/2026

BRIGANTO GMBH

Is a world leader specializing in Aluminum cutting machines offering turn-key solutions, to include consulting, designing, manufacturing and installation of custom engineered Aluminum cutting machines, effective automation concepts

Austria

CARBON CLEANUP

Stands out as the first mobile recycling solution for composite materials-delivering clean, on-site material recovery with minimal footprint

Austria

HEXAGON

Hexagon | CALIPRI is a global provider of innovative optical measurement solutions, specializing in high-precision, non-contact measurement technology for the aerospace, automotive and railway industries

Austria

HICO-ICS GMBH

Leading software company in for integrated technical logistics support systems (ILSS) and In-Service support systems (ISS)

Austria

MAGNA STEYR FAHRZEUGTECHNIK GMBH & CO KG

We engineer, qualify, and manufacture - cryogenic fluid storage and transfer solutions for aviation and space applications - Mechanisms for space applications

Austria

MERLIN TECHNOLOGY GMBH

Specializing in air humidification systems and measurement technology, Merlin Technology GmbH, whose roots date back to 1995, stands for superior quality and first-class service

Austria

MICADO SMART ENGINEERING GMBH

Specialist in supplying innovative manufacturing equipment to produce composite components support your project from the development of concepts through the design, the manufacturing and the assembling up to the final acceptance at your side

Austria

NINEFEB

Your service provider for technical documentation and eLearning. We support your company in all areas of technical communication and create maximum added value for your company thanks to our industry-wide knowledge and practice-oriented solutions

Austria

O.ST. FEINGUSS GMBH

Aerospace industry, automotive high property and design parts, medical applications, mechanical engineering, chemical industry, paper industry, parts for nuclear power plants, military applications, parts for hunting and sport weapons and rapid proto

Austria

Preliminary list of participants - 26/10/2026

PANKL AEROSPACE SYSTEMS EUROPE GMBH

Pankl with it's operations in the US and Europe, serves the global aerospace industry as a tier one supplier for complex drive-train components, engine shafts, in-flight refuelling tubes and landing-gear parts for fixed and rotary-wing aircraft

Austria

PANKL AEROSPACE SYSTEMS EUROPE GMBH

Drivetrain components, refuelling tubes and landing gear components for helicopters and fixed wing aircraft

Austria

PEAK TECHNOLOGY GMBH

Peak Technology combines groundbreaking innovations in fibre composite lightweight structures with solid craftmanship. Is one of the world's most interesting high-tech manufactories in the field of development and production of lightweight parts

Austria

WFL MILLTURN TECHNOLOGIES GMBH & CO KG

WFL is the only manufacturer worldwide that focuses exclusively on the production of multifunctional turning-boring-milling centers

Austria

AMI METALS

Full service cut-to-size metal service center. Providing aluminum plate, sheet, bar and extruded profiles for the aerospace industry.

Belgium

AWEX - AGENCE WALLONNE À L'EXPORTATION ET AUX INVESTISSEMENTS ÉTRANGERS

Wallonia Export-Investment Agency (AWEX)

Belgium

AZUMUTA

Azumuta connects frontline workers and systems in one operator-first platform. With modular capabilities, manufacturers digitize work with quality monitoring, guided process control, and training designed for complex environments.

Belgium

BOYD NIVELLES SA

Thermal management and sealing solutions manufacturing.

Belgium

CASTINGPAR

Investment casting - lost wax process - Steel and stainless steel parts from 1g. to 50 kg / Finished parts, ready for use Heat & surface treatments, machining.

Belgium

CENAERO

Applied research centre specializing in numerical simulation, artificial intelligence, and engineering solutions for aeronautics, space, manufacturing, and advanced technologies.

Belgium

Preliminary list of participants - 26/10/2026

COEXPAIR DYNAMICS

At Coexpair Dynamics, our mission is to continuously develop and refine high-impact technologies, processes and solutions that meet the evolving needs of the composite manufacturing industry.

Belgium

DYNALI HELICOPTER COMPANY

Design and manufacturing of light helicopters

Belgium

FERONYL SA

Plastic injection molding of technical parts and tools & MIM

Belgium

FLANDERS INVESTMENT & TRADE (FIT)

The government agency promoting sustainable international business, in the interest of both Flanders-based companies and overseas enterprises.

Belgium

GDTECH SA

Provides engineering, design, and simulation services for industrial and aerospace applications.

Belgium

MPP - MAGNETICO POLISSAGE DE PRECISION

Major service provider in the Non-Destructive Testing field and in precision deburring-Polishing

Belgium

PULSAART BY AGC (AGC GLASS EUROPE)

Manufacture and processing of flat glass for building, automotive and industrial applications.

Belgium

SAINT-GOBAIN INNOVATIVE MATERIALS BELGIUM (SGIMB)

Designs and manufactures high-performance sealing and advanced material solutions for aerospace, space, energy, industrial, and life science applications, from concept through qualification and production.

Belgium

SENSOLUS

SENSOLUS provides an all-in solution (STICKNTRACK) for tracking of location (indoor and outdoor (GPS)) and status (temperature, shocks, etc.) of non-powered assets such as equipments, spare parts, trailers, pallets, dedicated packaging, and much more

Belgium

SKYWIN

The aerospace cluster 'Skywin Wallonia' is a group of companies, training centers and research units engaged in public and private partnership and building synergies around common and innovative projects

Belgium

SMART STORAGE SOLUTIONS - CRIBMASTER

Smart Inventory & Asset Management and Versatile Industrial Vending & Tool Control Machines

Belgium

Preliminary list of participants - 26/10/2026

AEROSPACE BRAZIL - PIT SJC

Latin America's most important aerospace and defense hub, anchored by major aircraft manufacturer Embraer and managed by the São José dos Campos Technology Park in São Paulo

Brazil

EMBRAER - EMPRESA BRASILEIRA DE AERONAUTICA SA

Aircraft design and construction

Brazil

7D KINEMATIC METROLOGY

7D Kinematic Metrology Inc. is a Canadian advanced metrology company specializing in large-volume dynamic measurement and positioning systems for complex industrial environments

Canada

AERO MONTREAL

Québec's Aerospace cluster

Canada

AMEC CORPORATION

AMEC industry mission, is to manufacture small and medium size parts (28 inch max)with high precision machining

Canada

AV&R VISION AND ROBOTICS

At AV&R, we propel manufacturing into the future by delivering cutting-edge robotic finishing and inspection machines. Robotic machines for automated complex abrasive material removal processes

Canada

BESLOGIC

From concept to launch, we work with you to create intelligent digital technologies that solve real problems.

Canada

CMC ELECTRONICS, INC.

Supply-chain department - Navigation systems Cockpit systems integration Displays and control panels Avionics computers Sensors and microelectronics

Canada

COORDINATE INDUSTRIES LTD

Manufacturer of cable assemblies, wire harnesses, mechanical and electromechanical assemblies; and Precision Machining Services (Metal and Plastic) for Aerospace, Military, Medical and Industrial Applications

Canada

DCM GROUP

Under DCM Group, Aerospace Welding and DCM Aerospace provide the Original Equipment Manufacturer, airlines and Maintenance centers with complete turnkey and integration services,

Canada

Preliminary list of participants - 26/10/2026

GLOBAL PARTNER SOLUTIONS INC.

Recovery of critical situations at your suppliers: expediting, follow-up recovery plan, relationship management. Supplier Development: personalized audits, risk analysis, rate readiness, capacity assessments and qualifications

Canada

HEROUX DEVTEK INC.

Design, Test, and Qualification, Manufacturing to Specifications, Maintenance and R&O, Research and Development of Landing Gear systems for commercial, civil and military aircraft

Canada

INOGEC

Smart industrial handling

Canada

INVESTISSEMENT QUÉBEC

Unit of the Department of International Relations, La Francophonie and Foreign Trade, which support companies to develop, strengthen and diversify their markets outside Québec with services tailored to their needs

Canada

MAX TECHNOLOGIES INC

Design and manufacturing of high performance and easy-to-use hardware and software COTS products for Test & Measurement and Simulation.

Canada

NÉTUR INC

Nétur Inc. is a Tier-2 manufacturer of jet engines components and assemblies. Nétur Inc. is a vertically integrated manufacturer with in-house capabilities for machining, processing and assembling, resulting in a seamless integration of functions

Canada

RAMPF COMPOSITE SOLUTIONS

A leading expert in the manufacture of carbon fiber and fiberglass composites parts for the aerospace and medical industries.

Canada

SHIMIFREZ

Global leader in fabricating precision photo chemically etched and electroformed of micro metal components

Canada

THERMETCO

Metal Heat Treating

Canada

BAOJI TITANIUM INDUSTRY CO. LTD

titanium materials including titanium ingot,billet,bar,rod,wire,plate,sheet,tube,pipe,casting and etc.

China

GAMECO - GUANGZHOU AIRCRAFT MAINTENANCE & ENGINEERING COMPANY LIMITED

Large MRO Company

China

Preliminary list of participants - 26/10/2026

SHAANXI TIAN CHENG AEROSPACE CO. LTD

Chinese manufacturer specializing in the research, development and production of titanium and titanium alloy materials. Its main products include titanium alloy bars, wire rods and forgings for the aerospace, aviation, medical and industrial sectors.

China

SHAANXI TIANCHENG AVIATION MATERIALS CO., LTD

TCAE's products are positioned for high-end titanium applications.

China

TIPRO INTERNATIONAL CO,LTD

Dedicated to R&D and manufacturing of titanium bar, plate, wore,tube&parts. The products serve high-end fields such as aerospace, medical, additive manufacturing,3D etc. We have a full production chain from melting, forging rolling

China

CZECH AEROSPACE CLUSTER

Aerospace Cluster of the Czech Republic

Czech Republic

MESIT MACHINERY A.S.

development and production of aircraft instruments

Czech Republic

SANBORN SRO

Leading manufacturer of parts for equipment in many industries

Czech Republic

SAZ AEROSPACE SRO

We specialize in engineering and design for both the aviation, space and defence industries.

Czech Republic

TGS SRO

Jet engine mass production technologies, and drone airframe mass production technologies

Czech Republic

TRIMILL A.S.

Trimill a.s., is one of Europe's leaders in the design, development, and manufacture of high speed extremely accurate and stiff automated portal milling machines.

Czech Republic

WORKPRESS AVIATION SRO

Manufacturing of components for aviation industry - precise machining, material cutting (water jet), welding, surface finishing (anodizing), anodized printing

Czech Republic

FASTEMS OY AB

CNC automation

Finland

3DEUS DYNAMICS

The Deeptech french company 3Deus Dynamics aims to push the limits of 3D printing with its additive manufacturing process in a granular environment named "Dynamic Molding".

France

Preliminary list of participants - 26/10/2026

6TM PARTNERS SAS

Consulting, training, and auditing of quality and safety management systems in compliance with standards applicable to the aerospace and defense sectors.

France

A LA UNE

Communication agency

France

AALBERTS SURFACE TECHNOLOGIES

Surface treatments

France

ABIPA INTERNATIONAL (EX GROUPE ARM)

Specializes in the machining of precision mechanical parts in the rail sector, food, weapons, medical....

France

ABMI GROUPE

Product Engineering, Process Engineering and Industrial Installation Engineering

France

ACADÉMIE DE TOULOUSE

France

ACTIA AEROSPACE

ACTIA Aerospace specializes in advanced electronics and telecommunications systems for the most challenging environments. In the sky, ACTIA Aerospace supports aerospace leading players with a comprehensive range of industrial electronics solutions.

France

ACTIA AEROSPACE

Procurement department

France

ADDEV MATERIALS AEROSPACE SAS

Distribution of chemical and specialty products for the Aerospace & Defense markets

France

ADERA - UT2A

ADERA-UT2A is an analytical laboratory and technology transfer center specializing in trace metal and metalloid analyses, serving both research and industry.

France

AD'OCC INVEST AND TRADE IN OCCITANIE

Created and funded by the regional council, plays a vital role in implementing regional economic policy promoting the region's attractiveness within France and abroad

France

Preliminary list of participants - 26/10/2026

ADVANCED ELECTRICAL TOOLS - AET SOLUTIONS

Engineering and technical solutions for industrial projects and specialized applications.

France

ADVANTAGE AUSTRIA PARIS

Austrian Industrial Cooperation & Aviation Technology–is the One-Stop-Shop within the Austrian Federal Economic Chamber (WKO) representing the interests of the Austrian Industry in the Aeronautic Sector to show up potential synergy and cooperation...

France

AEOTIC

Technology company specializing in the design, development, and manufacturing of professional robotic and drone-based solutions for industrial, agricultural, and public-sector applications

France

AERBOARD

Higher-performance skateboards thanks to a technology that combines recycled cardboard and composite materials, including Airbus carbon.

France

AEREM

Engineering, Special Tooling, Precision Machining

France

AERIADES CLUSTER AÉRONAUTIQUE - SPATIAL - DÉFENSE GRAND EST

Cluster that brings together industrial skills, research and training oriented in aerospace and defense. It includes more than thirty companies, technology transfer centers, schools and laboratories

France

AERIX SYSTEMS

Drone design

France

AEROCENTRE

AÉROCENTRE, Regional Excellence Cluster (REA) is an association founded in 1901 in May 2009, to sustain, develop and structure the aviation industry in the Centre region

France

AEROMETALS & ALLOYS - GROUPE ACNIS

Specialist of metal cutting, from billet, bar, plate or sheet, in Titanium, Aluminum , Nickel, steel or other materials.

France

AÉROPORT TOURS-VAL DE LOIRE / EDEIS

Tours Val de Loire Airport

France

AEROPROTEC SERVICES

SILVER SPONSOR : Surface treatments and paintings for the Aerospace industry

France

Preliminary list of participants - 26/10/2026

AEROSPACE CLUSTER AUVERGNE-RHÔNE-ALPES

French Aerospace Cluster of Auvergne / Rhône-Alpes Region

France

AEROSPACE VALLEY

Cluster in Aeronautics, Space and Embedded Systems of Midy Pyrenees & Aquitaine regions in France.

France

AGILITEAM GROUP (JINPAO EUROPE)

Procurement department

France

AGILITEAM GROUP (JINPAO EUROPE)

Custom mechanics integrated : Machining (Milling, Turning, Bar Turning, Long Bed machining), Sheet metal, NDT, Surface treatments, Painting, Speed Shop, Engineering & Services

France

AGREGADURIA DE DEFENSA DE ECUADOR EN FRANCIA

Attaché de défense de l'Équateur en France

France

AHG - ATELIERS DE LA HAUTE-GARONNE

Solid rivets and threaded fasteners for the aerospace Industry

France

AIR FRANCE INDUSTRIES ORLY

MRO B777, A330, A350, line maintenance toutes flottes

France

AIRBUS ATLANTIC - ROCHEFORT

Design, manufacture and assembly of parts of aerostructures for Airbus and ATR, the design and manufacture of seats for aircraft and helicopter cockpits and the design and manufacture of chairs first and business class for airlines.

France

AIRBUS ATLANTIC COMPOSITES

Fabrication des pièces complexes et de sous ensembles complets de pièces composites

France

AIRBUS DEFENCE & SPACE

Established leader in space transportation, satellite systems and services

France

AIRBUS DEFENCE & SPACE

Established leader in space transportation, satellite systems and services

France

AIRBUS GROUP

Aircraft Manufacturer

France

Preliminary list of participants - 26/10/2026

AIRBUS HELICOPTERS
Airbus Helicopters, leader in civil helicopter or military helicopter transport proposes a wide range of utility helicopters
France

AIRBUS OPERATIONS
Aircraft manufacturer
France

AIRPLANE PAINTER
Digital solutions and services for the aviation industry, particularly for managing and optimizing flight operations.
France

ALIGN AEROSPACE
Aerospace Fasteners and assembly components // Supply Chain management for components (DLF, VMI, Double Bin, JIT, Kit, ...)
France

ALIONAX
Design of new products in racket sports // Conception de nouveaux produits sportifs particulièrement dans les sports de raquettes.
France

ALLEVIO GROUPE - AEROPLAST
Plastic injection, Micro-injection, Overmolding of filters, Plastic & metal machining, Micro-turning
France

ALLIANCE ELECTRONICS
Engineering and assembly of circuit boards and complete products
France

ALLIANSYS
Specializes in providing innovative technology and digital solutions to help businesses improve their performance.
France

ALPHA IMPULSION
develops a rocket for mini and micro satellites using its patented technology: hybrid autophage propulsion.
France

ALTYTUD CLUSTER AERONAUTIQUE
Hauts-de-France Aerospace Cluster
France

ALYZAI
Transform your procurement into a margin lever
France

AMBASSADE DU CANADA
Canadian Embassy to France
France

AMECA
Manufacturer of Wire Thread Inserts and Threaded Inserts
France

Preliminary list of participants - 26/10/2026

APLUS SYSTEME AUTOMATION
French leader for integration system

France

APOLLINAIRE COMPOSITES ET TECHNOLOGIES
Specializing in high-performance composite materials for the aerospace, defence, and space industries.

France

APPAOO
Etablissements APPAOO has expanded into new markets in the fields of precision general machining, grinding, electrical discharge machining (EDM), piping, welding, and precision sheet metalwork.

France

APPIMAN - TAMAN SAS
Temp. workers & recruitment agency, specialized on aerospace sector. (White & Blue collars)

France

APPRENTIS D'AUTEUIL
Apprentis d'Auteuil is a French Catholic foundation supporting vulnerable young people and families. It provides child protection, education, vocational training and support for employment and parenting.

France

AQUITAINE ELECTRONIQUE (AECE GROUP)
AE designs and manufactures electronic equipment and systems and electrical harnesses for the most demanding aeronautic, military/defence, naval

France

ARCESI EA
Arcesi is a French IT services group promoting employment for people with disabilities. It specialises in software development, systems and networks, engineering and sustainable IT.

France

ARDIAK
Designs and manufactures industrial 3D printers, providing additive manufacturing, engineering, 3D scanning, prototyping and small-to-medium series production services.

France

ARESIA
Design and manufacture of complex mechanical assemblies

France

ARESIA
Design and manufacture of complex mechanical assemblies

France

ARIANEGROUP
European Specialist of space transportation and orbital systems. ASTRIUM designs, develops and produces Ariane launchers family, the Columbus laboratory and the ATV cargo to the International Space Station...

France

Preliminary list of participants - 26/10/2026

ARIES MANUFACTURING

Manufacture complex metal parts for the aerospace industry using advanced forming processes (hot stretch forming, superplastic forming, hot forming), friction welding, and precision machining.

France

ARKANIA GROUP

A French engineering and industrial manufacturing group specializing in design, machining, sheet metal work, laser cutting, composites, assembly, and customized industrial solutions across multiple sectors.

France

ARMOR MECA - GROUPE DROUAULT

Precision machined parts and sub assemblies Aluminium and superalloys / custom made containors for high value material (military, energy, other)

France

ARTELIA GROUP

International engineering and consulting group specializing in mobility, water, energy, buildings and industry. It provides consulting, engineering and project management services.

France

ASEI - ESAT CARAMANTIS

ASEI – ESAT Caramantis supports people with disabilities through adapted professional activities in industrial, craft and service sectors.

France

ASTIC INJECTION INDUSTRIELLE SA

Manufacturing of very precise parts in technical and thermosetting thermoplastics. PEEK-PEI-PPSU-TPU-PC-ABS-PA… Design and production of molds with integrated rheological studies, Overmoulding of connectors, machined inserts, ...

France

ASTRONICS / PGA AVIONICS

Manufacturer of seat-motion, lighting and HMI for the business and commercial aviation industry.

France

ASTROSCALE FRANCE

Laying foundations for on-orbit servicing

France

ATELIERS PRESQU'ILE 3D

Aerospace subcontracting in mechanics of precision

France

ATIMIC INFORMATIQUE

Atimic is a French IT services company promoting employment for people with disabilities. It specialises in IT support, software development, testing and data management.

France

ATR

Production, sales and support for turboprop regional aircraft.

France

Preliminary list of participants - 26/10/2026

ATS - ACTION TECHNOLOGIQUE SEZANNAISE
Solutions regarding laser cut and 2D and 3D water jet laser cut
France

AUBRY NTV
Special profiles
France

AURA AERO
Hybrid-powered passenger and cargo transport aircraft manufacturer
France

AUROCK
Superplastic forming - Simulation of sheet metal forming
France

AUTOFORM ENGINEERING FRANCE
Software Solutions for Sheet Metal Forming
France

AVANTIS ENGINEERING
Mechanical and industrial engineering company specializing in aerospace, space and defense, from design and engineering to manufacturing and maintenance.
France

AVEYMECANIC
Aeronautics Global Product Sourcing Part
France

AVIAGROUP INDUSTRIES
Manufacturing of complex metal parts and aerostructure sub-assemblies
France

AVNIR ENGINEERING
AVNIR Engineering ensures the management and coordination of all your R&T industrial highly technical projects
France

BASE AÉRIENNE 101 / COMMANDEMENT DE L'ESPACE
Space & Air Army
France

BELRISE SDM - SOCIETE DUPUIS MECANIQUE (BELRISE INDUSTRIES)
Precision mechanics and tooling, part of Alliance Aéronautique / Induxial
France

BENE MECANIQUE SOLUTIONS
Designing and manufacturing of aeronautical tooling/jigs, manufacturing metal and composite aeronautical parts, manufacturing parts for defence/power generation industries, designing and manufacturing special machines
France

Preliminary list of participants - 26/10/2026

BEYOND AERO

French startup, based in Toulouse, developing the first long range hydrogen aircraft.

France

BEYOND AERO

Beyond Aero is building the first hydrogen-electric business aircraft

France

BINC INDUSTRIES

BESTinCLASS delivers innovative precision surface finishing services using a proprietary MMP Technologie. Working from its own treatment labs, BESTinCLASS is poised to provide manufacturers with custom finishes to meet their specifications

France

BLUEFIELD

Consulting

France

BMI FOURS INDUSTRIELS

World's leading manufacturers of vacuum furnaces

France

BODO MÖLLER CHEMIE FRANCE

Distribution of technical products for bonding and composite materials

France

BODYCOTE

The leading provider of thermal processing services worldwide.

France

BOLLHOFF OTALU SAS

On behalf of our customers worldwide, we advise on, develop and supply a broad range of application and process oriented fasteners, together with the corresponding assembly solutions

France

BORRELLY SPRING WASHERS

Borrelly is a family business, expert in the design and manufacturing of spring washers.

France

BOSSARD AEROSPACE

Distribution of aerospace fasteners and C-parts, and associated services

France

BT2I GROUP

Manufacturer of machining, sheet metal components, and complex mechanical assemblies.

France

BUFAB FRANCE

Manufacturer and service provider for class C products.

France

Preliminary list of participants - 26/10/2026

BUREAU VERITAS LABORATOIRES

Bureau Veritas supports its customers in the aviation sector: safety, quality of the supply chain and the environment

France

CAILLAU

french firm specialised in sheet-metal forming activities.

France

CARVEAM - DBC/MONTBLANC

High precision mechanical solutions

France

CASTLE METALS AEROSPACE

Castle Metals is a leading service provider of high performance metals and supply chain solutions to the global aerospace and defense industries

France

CCFT TOULOUSE OCCITANIE

Chamber of commerce

France

CCI DE L'ARIEGE

Ariege Chamber of Commerce and Industry, France

France

CDS - COGNITIVE DESIGN SYSTEMS

Cognitive Design Systems is developing a product design software which helps designers and engineers generate designs using AI

France

CENATS

We manufacture high-precision mechanical assemblies for landing gear, engine injectors, parachute handles, and hydraulic systems. Our testing equipment enables us to perform pressure, leak, and flow testing.

France

CENTRALE DIRECTE

Industrial supplies for aeronautics for sanding, drilling, vacuuming and capturing sanding dust and dangerous dust of chrome 6, aluminum, titanium, carbon, etc.

France

CESI

CESI is a French engineering school offering hands-on and work-study programmes in industry, digital technology, construction and management across 26 campuses.

France

CETIM

Cetim, France's leading technological accelerator for industry, offers consulting and engineering services. As a key mobility player, it provides solutions to decarbonize, validate, and optimize materials, components and drive operational excellence.

France

Preliminary list of participants - 26/10/2026

CGR INTERNATIONAL

European leader in aerospace springs, sheet metal forming, cutting, stamping, metal spinning

France

CHAMBON SAS

Machining of precision mechanical parts with assembly of sub-assemblies.

France

CIR AERONAUTIQUE

The leading distributor of power transmission components in the Occitanie and Nouvelle-Aquitaine regions.

France

CLAYENS

Processing of thermoplactics and thermosets by injection, compression and machining.

France

CMA INDUSTRY (CHAUDRONNERIE MÉCANIQUE AÉRONAUTIQUE ET INDUSTRIELLE)

Manufacture of metal parts through the laser cutting, precision metalworking experience, welding, assembly, machining and industrial painting / Able to achieve complete sets and subsets combining trades such as saddlery, electronics, plastics...

France

CNRS - LABORATOIRE LAPLACE

National Research Centre

France

COATING PLASMA INNOVATION - PLASMALEX

Sustainable alternative to the ETFE films currently used in the aerospace industry. Plasma treatment applied to polyamide films to provide a non-stick surface that prevents aerospace resins from adhering during the manufacture of composite parts

France

COLLINS AEROSPACE - PROPELLER SYSTEMS (RATIER FIGEAC)

Propellers, Actuators, Cockpit Equipment

France

COMPTOIR GENERAL DES METAUX SA

CGM is a reference in the industry for the distribution of quality metals for high-tech applications. We carry a wide range of grades in steels, stainless steels, nickel & cobalt alloys, titanium, coppers alloys and bronze, aluminum alloys.

France

CONNEKTICA

exécution de l'ensemble du processus de production et AIT (Assemblage, Intégration et Test) pour les PME et ETI du secteur Aérospatial & Défense

France

CONSTRUCTIONS MÉCANIQUES BADIMON

Precision engineering, machining, turning, milling

France

Preliminary list of participants - 26/10/2026

COPELECTRONIC SCOP SA

Production & Integration Electrical & electronics systems

France

COREDUX FRANCE SAS

Designing, engineering and manufacturing customer-specific hose assemblies that use the most advanced high-quality materials and go through stringent testing.

France

CORSE COMPOSITES AERONAUTIQUES

Corse Composites Aéronautiques (C.C.A) is recognized as one of the top specialists in the development of complex composite parts for aeronautics applications.

France

CORSE COMPOSITES AERONAUTIQUES

Components manufacturing for the aerospace industry

France

CORVAER

Portable tools for the Aeronautics industry in the drilling and riveting professions. Manufacture of associated cutting tools, micromechanical stops, associated equipment.

France

CP FRANCE

Range of technical and waterproof cases

France

CREASTYL

Design and engineering office: 3D cutting and machining, 3D measurement, 3D scanning and reconstruction, models, molds, pre-production runs, and industrialization.

France

CRITT MATERIAUX INNOVATION

CRITT Matériaux Innovation can help you with your materials projects: in-depth characterization, certified analysis and testing, and customized solutions

France

CT INGENIERIE

From product design engineering to manufacturing engineering, after-sales engineering support and R&D projects, we operate in the aeronautic, space, marine, automotive, railway, energy, industrial plants and architecture sectors

France

CURTISS-WRIGHT SURFACE TECHNOLOGIES - METAL IMPROVEMENT COMPANY

A business unit of Curtiss-Wright Surface Technologies, provides quality controlled and cost effective surface treatments that: Improve component life and performance, Provide protection from premature metal and material failures

France

CYBLEX TECHNOLOGIES

Conseil et solutions innovantes en Cybersécurité

France

Preliminary list of participants - 26/10/2026

CZECHTRADE PARIS

National Trade Promotion Agency of the Ministry of Industry and Trade of the Czech Republic

France

DACHSER FRANCE

Global transport network and IT solutions

France

DAHER AEROSPACE

Aircraft manufacturer, industrial company, industrial services provider, and logistics specialist

France

DANIELSON ENGINEERING

Danielson Engineering is an engineering company specialized in the design, manufacturing, and development of mechanical transmission technology demonstrators.

France

DECOD'HOR

Precision machining and automatic bar turning of high-precision mechanical components.

France

DÉLÉGATION WALLONIE-BRUXELLES À PARIS

Promoting international cooperation, diplomacy, and partnerships for Wallonia-Brussels.

France

DELMON GROUP

A recognized supplier for major aerospace programs, including the LEAP engine, Delmon Group designs anti-vibration and sealing solutions capable of operating in extremely demanding environments.

France

DELTAMU

As a leading provider of metrology solutions for over 20 years, Deltamu is committed to pushing forward the metrology sector in standardization committees (FD X07-014, FD X07-041 ...) and work groups.

France

DEMGY GROUP

High precision machining - Injection and decoration - Thermoforming and stamping - Surface treatment and metallisation - Products with electromagnetic compatibility

France

DERICHEBOURG AERONAUTICS SERVICES

Derichebourg offers a wide range of services covering all stages of the life of the aircraft from production to operation and technical assistance for asset management.

France

DGA TECHNIQUES AEROSPATIALES

French Defence Procurement Agency – Aeronautical Techniques

France

Preliminary list of participants - 26/10/2026

DGA TECHNIQUES AEROSPATIALES

Tests and aeronautical evaluation; AGREM EMC tests.

France

DIAB SAS

Wide range of innovative and sustainable core materials for sandwich composites. Eco-designed solutions combining performance, lightweight properties and adaptability for various applications, complemented by kits and engineering services.

France

DIAGER INDUSTRIE

Usinage Soft Materials plastics, wood, aluminum and composites

France

DIGITANIE

France

DIRECT SA

Created in 1965, Independent distributor of cabling equipment, connectors, electronics, automatism, electromechanical- Markets: industrial, railway, marine, aeronautical-certified ISO9001v2008 and EN9120

France

DOMAERO - MPLUS GROUP

Aeronautical sheet metal work and boilermaking

France

DRALAM TECHNOLOGIES

Engineering and development of custom industrial solutions in automation, electronics, IoT and industrial IT.

France

DSI - DISTRIBUTION SERVICES INDUSTRIELS

Study and engineering in automatic and signal processing, in computer science, electronics, mechanics. Looking for industrial partnerships with suppliers

France

DSPACE SARL

Provides software solutions and services for managing data and technical documentation in the engineering and aerospace sectors.

France

DUQUEINE GROUP

Specialized in the design and manufacture of parts and technical composites subassemblies.

France

DURKOPP SAS

Industrial sewing solutions and automated production equipment for technical textiles and automotive industries.

France

EC INTERNATIONAL GROUP

Prototypes and low volume production in metal and plastic

France

Preliminary list of participants - 26/10/2026

EFJM

A specialist in advanced sealing systems and elastomer-based components, providing custom solutions for fluid sealing, vibration reduction, and demanding industrial applications.

France

EKIUM

Engineering, integration and maintenance of electrical, industrial and digital systems, with expertise in energy, nuclear, marine and infrastructure sectors.

France

ELECTROIMPACT FRANCE

While a relatively new addition to Electroimpact our French team draw on 30 years of experience in the aerospace industry. We provide assembly lines and support all Electroimpact automation.

France

EMITECH GROUP

Test Laboratory, training organization, engineering

France

ENNOVI AMS FRANCE

Driving the future of electrification, we enable advanced air mobility through uncompromising safety, traceability, and quality across every phase, from concept to takeoff.

France

ETIENNE LACROIX DÉFENSE

Designer and manufacturer of pyrotechnic devices for the defense industry.

France

ETIENNE LACROIX GROUP

MPM specialises in the injection moulding of thermoplastic parts and handles all aspects of industrial projects, from product design to mass production.

France

EUROTHERM - WATLOW

Eurotherm is a leading global supplier of control, measurement and data recording solutions.

France

FASTROAD

SOUN is a French transport company committed to social inclusion and sustainability. It provides passenger transport, accessible mobility, freight delivery and logistics staffing.

France

FEDD - FABRICATION ELECTRONIQUE DE DORDOGNE

Navigation, positioning, telecommunications

France

FIGEAC AERO SA

Aeronautical subassemblies (machining and assembly), Structural parts, Engine parts and precision parts.

France

Preliminary list of participants - 26/10/2026

FINIMETAUX

FINIMETAUX is a privileged partner in the field of subcontracting coatings and surface treatments that can provide you technical input and support to treatment options

France

FLUIDRA - ZODIAC POOL CARE EUROPE

Designs and markets swimming pool equipment and solutions, including robotic cleaners, filtration systems, water treatment, heating, and dehumidification solutions.

France

GALY FRERES

A company specializing in precision machining, non-destructive testing of large aeronautical parts, and the manufacturing of tooling and welded mechanical assemblies.

France

GEKATEX S.A.

Manufacturer of technical surface preparation and cleaning solutions.

France

GESTAL

Industrial maintenance, installation, and technical services for large industrial companies, particularly in shipbuilding, aerospace, defense, and energy.

France

GIE TECALEMIT SERVICES

Manufacturing aeronautical flexible and combined hoses, aeronautical rigid metallic hoses, thermal and fire protections, fittings for hoses and Machined components, assembly of aeronautical subassemblies

France

GIFAS

The French aerospace industries association assembling more than 366 members from major prime contractors and system suppliers to small specialist companies

France

GLENAIR FRANCE

Glenair offers a dozen, full Spectrum product lines designed to meet every interconnect requirement, including a broad range of military qualified and commercial connectors

France

GMP GROUP

Manufacturing, Assembly and Testing Mechanical and Micromechanical Components with High Precision for the Aerospace, Space & High Tech Industries.

France

GROUPE 6NAPSE

Innovation and technological transfer regional center, between R&T and production, it is specialized in performing tests, studies and expertises on materials, especially on their surface, content, nature, composition or behavior.

France

Preliminary list of participants - 26/10/2026

GROUPE ACG AUTOMATION

Design and manufacturing of special-purpose machines. Creator of turnkey automated and robotic solutions

France

GROUPE GAZECHIM COMPOSITES

Distributor of advanced composite materials : woven fabrics or sewed fabrics, prepregs, core materials, resins (epoxy, polyurethane, epoxydes, silicons), vacuum products, insulation glass fabrics covered with aluminum or silicone enducted

France

GROUPE HDI - HENRY DESJONQUERES INDUSTRIES

Mechanical engineering and precision machining

France

GROUPE INTI

The InTi Group is a French industrial electronics company specializing in the production, industrialization, and repair of electronic circuit boards, as well as wire harness assembly.

France

GROUPE ROSSI AERO - GROUPE MELOCHE

Mechanics of precision manufacturing, construction of sets, subsets spare parts, tools. mechanic and rapid manufacturing

France

GROUPE SAB

aluminum casting / machining / assembly / painting including co-design and prototyping (production-representative prototypes of the final cast aluminum part design) during the development phase.

France

H4E-MOTION

Hybrid battery-fuel cell system and liquid hydrogen propulsion

France

HALDER FRANCE

Standard Parts, Aviation Products and Hand Tools

France

HANDIRECT

antoine.dalleas@handirect.com

France

HEF GROUP

World leader in surface engineering

France

HELLERMANNTYTON S.A.S.

Plastic transformer, fastening solutions, protection, insulation, and identification of electrical cables

France

HEPPNER GROUP

Creator of transport and logistics solutions

France

Preliminary list of participants - 26/10/2026

HEXCEL COMPOSITES
Developing and manufacturing advanced composite materials and components that make aircraft lighter, stronger, and more durable.

France

HOWMET AEROSPACE
Aluminium investment castings - Toolings for investment casting foundries

France

HUTCHINSON AEROSPACE
Designs and manufactures advanced multi-material systems and components, including aerostructures, fluid management, insulation, sealing, vibration control, and protection solutions for aircraft, spacecraft, and defense platforms

France

ICAM
France

IDEA GROUPE
Industrial logistics provider: pilots supply-chain design for exceptional, specific and sensitive products. It offers both comprehensive and tailor-made logistics solutions (aeronautics, energy, shipyard, defence, agro-food and industrial bulk).

France

IMAGIN'AIR
An aerospace company specializing in the development of innovative solutions for training, maintenance, and simulation.

France

INDEX FRANCE SARL
INDEX Group is today one of the world's leading manufacturers of CNC turning machines, automatic lathes, multi-spindle lathes and turn-mill centers

France

INFINITY SPACE PROVIDERS
Launch vehicles, satellite launch and recovery.

France

INTERNATIONAL BUSINESS SCHOOL
ISG's five-year Business & Management programme offers personalised pathways in business studies. It combines hands-on projects and international experience to prepare students for their careers.

France

INVENTEC PERFORMANCE CHEMICALS
Leader of innovating chemical solutions for high tech industries

France

IPSA INSTITUT POLYTECHNIQUE DES SCIENCES AVANCÉES
Aerospace engineering school

France

Preliminary list of participants - 26/10/2026

ISP SYSTEM

Designer, Manufacturer, Precision equipments, Advanced industrial means

France

IUT BLAGNAC

France

JEDO TECHNOLOGIES

Waterjet cutting expert, cutting and manufacturing of finished goods made of any materials

France

JET CUT

Waterjet cutting 3 and 5 axes with machining/drilling, we cut all materials and thickness, structural parts in aluminium, titanium and composites, while providing very short lead times and delivering worlwide // Metalworking and mechanized welding

France

KALLISTE

KALLISTE: consulting and interim management for high-stakes or struggling industrial or IT projects

France

KATTAN AEROSERVICES

Specialized in industrial furnitures and special tooling for the aerospace industry

France

KLN FREIGHT

A global third-party logistics (3PL) and freight forwarding company offering air, ocean, land, and multimodal transport services. Part of KLN (formerly Kerry Logistics Network), operating across 58+ countries and territories.

France

KNDS - NEXTER ELECTRONICS

KNDS unites Krauss-Maffei Wegmann and Nexter, leading European military land system manufacturers from Germany and France.

France

KNDS - NEXTER ELECTRONICS

The KNDS France center in Toulouse designs and manufactures embedded electronic equipment for land defense vehicles and systems.

France

LACHANT GROUP

French leader in custom manufacturing and co-development of all types of metal parts and various springs.

France

LATECOERE

Aviation equipment supplier: European leader of front points, Global leader of doors

France

LE CRENEAU INDUSTRIEL

5 axis Machine tools, Machining robot

France

Preliminary list of participants - 26/10/2026

LEE COMPANY SA

Wholesale distribution of industrial supplies and equipment, including components, tooling, and technical solutions for professionals.

France

LES MÉCAMIENS

Design and manufacturing of custom industrial prototypes.

France

LIEBHERR-AEROSPACE & TRANSPORTATION SAS

The aerospace product portfolio offered to civil and defense customers includes environmental control and thermal management systems, flight control and actuation systems, landing gears as well as on-board electronics.

France

LINDE AMT ST. ETIENNE S.A.S.

Surface treatments

France

LUTRINGER INDUSTRIES

Precision machining

France

LYCEE AIRBUS

France

MAFAC FRANCE

MAFAC France provides consulting services and supplies surface treatment equipment to ensure the perfect quality of manufactured mechanical parts: Cleaning, blasting and shot blasting equipment, Supply of related consumables, Maintenance services.

France

MAKINO FRANCE

Machining solutions for aerospace parts, aluminium alloy

France

MALOUVIS

We manufacture high-precision fasteners and components for the most demanding industries. Screws, nuts, and washers – from standard sizes to custom parts made to specification.

France

MANUTEX - GROUPE GAUTHIER

Designs and manufactures custom narrow textiles, including ribbons, webbings, cords, and braids, for fashion, decoration, and technical applications such as industry, medical, and aerospace.

France

MARLIER SA

NDT

France

Preliminary list of participants - 26/10/2026

MATRADE (FRANCE) - MALAYSIA EXTERNAL TRADE DEVELOPMENT CORPORATION

Organising export promotion activities for Malaysian companies.

France

MAXON FRANCE SAS

Specialized in multi-technology micromotorisation

France

MBDA FRANCE

Sourcing department - European multinational developer and manufacturer of missiles.

France

MBDA FRANCE

R&D department - European multinational developer and manufacturer of missiles.

France

MECADAQ GROUP

Machining of high precision components for Aerospace.

France

MECANIQUE 2L - CABANES INDUSTRIES (SAFE METAL)

General Precision Machining

France

MECANIQUE ATELIER DE COIGNIERES (MAC)

Machining of complex parts, fine sheet metal work, boilermaking/fabrication, sub-assembly assembly, heat treatment of aluminum alloys, installation of bushings, spherical bearings and rolling bearings, and lapping.

France

MECAPOLE INDUSTRIES

Precision mechanics - Sheet Metal - Surface treatment - Boiler making

France

MECAPREC

Precision mechanics, machining, turning, milling.

France

MECAPROTEC INDUSTRIES

Surface treatments, NDT, paint, chemical milling

France

MEKAMICRON - MK COMPOSITES

Machining and Repair Parts

France

MERSEN FRANCE GENNEVILLIERS SAS

Applications électriques (Balais Moteurs)

France

Preliminary list of participants - 26/10/2026

MESUREX

French manufacturer of custom sensors and measurement systems, specializing in temperature, pressure, force, vibration and displacement measurement for demanding industrial sectors, including aerospace, defense and automotive.

France

MISUTECH

Numerical prediction of residual stresses induced by machining operations

France

MOOVINV EUROPE

We strengthen Supply chains. Julie, our ecosystem driven by AI connects procurement, engineering, manufacturing, as well as your suppliers and your clients, to unlock value that already exists.

France

MOTHERSON AEROSPACE (EX AD INDUSTRIE)

Aerospace subcontracting, education and achievements of mechanical sub-assemblies including sheet metal, sheet metal, piping, mechanical welding, machining, assembly and integration.

France

MOTHERSON AEROSPACE (EX AD INDUSTRIE)

Aerospace subcontracting, education and achievements of mechanical sub-assemblies including sheet metal, sheet metal, piping, mechanical welding, machining, assembly and integration.

France

MPM - GROUPE ETIENNE LACROIX

Purchasing department - Transformation of plastic materials by injection.

France

MPX ENGINE

A SaaS platform for industrial cost estimation intelligence that enables the automation and optimization of quotation creation and tender management for manufacturing workshops.

France

MV SAS

Specialized in high precision machining of parts with complex shapes for all kinds of materials including low workability ones.

France

NEHIA

Digital printing

France

NEOPOLIA

Aerospace cluster brings together over 60 companies covering aeronautics, space and defence. Its role is to combine the capabilities of its member companies and act as an integrated supplier/project coordinator for customers

France

Preliminary list of participants - 26/10/2026

NEXIENT
Nexient accompagne les entreprises dans leur digitalisation. Nous transformons la technologie en un moteur de création de valeur, de collaboration et de fluidité opérationnelle.

France

NIKON METROLOGY / SLM SOLUTIONS
Nikon offers the broadest range of metrology solutions for applications ranging from miniature electronics to the largest aircrafts. 3D scanning, 3D inspection, CMM, Articulated arms, computed tomography

France

NIMROD INDUSTRIES
Manufacturing of Tools, laser citting, digital bending, deep drawings, forming, TIG welding, precision sheet metal work

France

NORMADOC
NORMADOC is a leading provider of international standards, regulations, and technical documents for industry professionals

France

NORMANDIE AEROESPACE
Born in 1998 the control of major industrial Norman, NAB is the sector of excellence Norman areas of aeronautics, space, defense and security.
(Delegation of 10 Companies)

France

NOVADDITIVE
Novadditive offers you to produce according to your plans, ceramic parts in additive manufacturing, from prototypes to small and medium series.

France

NOVAE SERVICES
Novae has developed a complete integrated offer for production of complex aerostructures, in addition to a service offer in engineering, manufacturing and aircraft MRO.

France

OBIOU SOCIETE D'ELECTRONIQUE - OSE
Manufacture of industrial process control equipment

France

OBSAM
Specializing in the management of industrial obsolescence for various sectors.

France

OPLIT
Develops a SaaS solution for production planning and scheduling, enabling manufacturers to optimize shop floor operations, resource capacity, and production lead times.

France

Preliminary list of participants - 26/10/2026

OPTIMIST EA

OptimisT is a French company promoting employment for people with disabilities. It provides logistics, industrial subcontracting and decarbonisation services, including battery regeneration and electric mobility maintenance.

France

PALUMBO INDUSTRIES

For over 45 years, Palumbo Industries has been designing and machining high-precision components from aluminum, steel, and copper alloys.

France

PARIS SAINT DENIS AERO

European leader in the distribution of metallurgical products for use in the aviation industry. We supply a complete selection of technical products used in the construction of airplanes.

France

PAULSTRA SNC

Design and manufacture of rubber, thermoplastic and thermosetting materials, as well as vibration control and sealing solutions. It mainly serves the automotive, aerospace, railway and industrial sectors.

France

PERNAT AERO DEFENSE INDUSTRIE

Producer of turned and machined part from Ø2 to 150mm either on inox, aluminium, steel, alumel, chromel, brass, titanium... +120 employees and +90 machines dedicated to aeronautical projects.

France

PMT - POLE DES MICROTECHNIQUES

Innovation catalyst and business accelerator in Bourgogne-Franche-Comté

France

PÔLE FORMATION UIMM OCCITANIE

Pôle Formation UIMM Occitanie offers over **40 work-study programmes** and **70 continuing education courses** in industry and new technologies, helping young people, employees and jobseekers develop practical skills across Occitanie.

France

POLIS PRECIS

Technical machining of hard materials

France

POSITIVE AVIATION

Develops aircraft for fighting forest fires

France

POTEZ AÉRONAUTIQUE SA

Design and production of aerostructures - Production of wide dimension stretch forming both profile and skins - Production of wide dimension stretch forming both profile and skins

France

POTEZ AÉRONAUTIQUE SA

Design and production of aerostructures - Production of wide dimension stretch forming both profile and skins - Production of wide dimension stretch forming both profile and skins

France

Preliminary list of participants - 26/10/2026

PRECI3D LORRAINE

Specializing in high precision mechanics by High Speed Machining

France

PRECITEC FRANCE

Design and manufacture of optical sensors - Dimensional metrology. Design and manufacture of welding and cutting laser heads

France

PROFORM SA

Complete supply of stainless steel, Inconel, titanium, and aluminum tubes: Bending, Welding, Machining, Forming, Hydroforming, Half-shell Assembly.

France

QALIA PERFORMANCE

Expert in Quality, Metrology, and Performance professions.

France

R&D VISION

Design and manufacturing of innovative optical measurement solutions combining imaging acquisition and artificial intelligence for industry and research.

France

RBC FRANCE SAS

RBC France a sales subsidiary of RBC-Schaublin, is part of RBC Bearings famous for its quality and innovation. The RBC Bearings group of companies employs over 2 000 employees worldwide.

France

RECAERO

Recaero is specialized in the manufacture of spare parts, subassemblies, and modification kits to tight deadlines

France

REXIAA GROUP

REXIAA specializes in the utilization of high performance composite materials for the aeronautical and transport industries.

France

RFPM

DEEP GRINDING, SURFACE AND PROFILE GRINDING

France

RHEOCHRONOS

Develops rheokinetic testing instruments to analyze material behavior during chemical reactions, particularly in polymers, composites, adhesives and chemicals.

France

Preliminary list of participants - 26/10/2026

ROBOTIQUE OCCITANE - ROB'OCC

Designs and manufactures a ground-breaking new generation of highly versatile autonomous indoor mobile vehicles in France.

France

ROCKWELL COLLINS

Aeronautical radionavigation and radiocommunication - Defence communication

France

ROSE PLASTIC FRANCE

High-quality plastic packaging

France

ROSSI AERO EQUIPEMENTS

Purchasing department

France

S+D METALS FRANCE

The S+D Speciality Metals Group is one of Europe's largest stockists for semi-finished high-performance materials like titanium and titanium alloys, special stainless steel for aviation and aerospace or nickel and nickel alloys

France

SAB INDUSTRIES : SOCIETE D'ASSEMBLAGE ET DE BRASAGE

Design and manufacturing of engine components and fluide transfer pipes and connectors for the Aeronautics, Agriculture and Automotive customers

France

SADEV

Spécialiste de l'usinage de précision et des composants de transmission

France

SAFRAN

Design, development and manufacture of high quality safety and survival equipment, mainly to the aerospace industry, the armed forces and the armament industry

France

SAFRAN ADDITIVE MANUFACTURING

Safran's 3D-printing center of excellence. It develops, industrializes, tests, and produces aerospace components using metal additive manufacturing

France

SAFRAN AEROSYSTEMS

Safety Systems · Electrical & Cockpit Systems · Control Systems · Fluid and Water & Waste Management · Connected cabin · Generation and Power Systems ...

France

SAFRAN AEROSYSTEMS DIVISION DSFF

Extension / Retraction of the landing gear, Braking, Flight controls, Steerability, Regulating motor control, Space

France

Preliminary list of participants - 26/10/2026

SAFRAN AIRCRAFT ENGINES

Design, development and manufacture of high quality safety and survival equipment, mainly to the aerospace industry, the armed forces and the armament industry

France

SAFRAN CABIN FRANCE

Specializing in the design and manufacturing of aircraft cabin interiors and equipment.

France

SAFRAN ELECTRICAL & POWER

Specializes in aeronautical electrical systems and end-to-end energy chain management for civil and military aircraft

France

SAFRAN ELECTRONICS & DEFENSE

Ectromechanical equipments, actuators for aerospace, military, space and industrial applications

France

SAFRAN FILTRATION SYSTEMS

Developed a recognized expertise in the fields of filtration of fluids and gases (Air, Oil, Fuel ...).

France

SAFRAN HELICOPTER ENGINES

Specialized in the design, production, sales and support of gas turbines to power small and medium helicopters

France

SAFRAN HELICOPTER ENGINES

Engineering department

France

SAFRAN LANDING SYSTEMS

Landing gears

France

SAFRAN LANDING SYSTEMS

Design, manufacture, integration, and maintenance of aircraft landing and braking systems for civil and military aviation

France

SAFRAN NACELLES

Conception et fabrication de composants nacelles en Composite.

France

SAFRAN POWER UNITS

Design and manufacture of reactors and auxiliary power units for aircraft.

France

SAFRAN POWER UNITS

Design and manufacture of reactors and auxiliary power units for aircraft.

France

SAFRAN VENTILATION SYSTEMS

Aeronautics harnesses

France

Preliminary list of participants - 26/10/2026

SAINT-GOBAIN MOBILITY - AEROSPACE

Manufacturer of windshields for the aerospace and defense industries

France

SAMARO

Samaro supports you throughout the process of using technical lubrication, sealing and bonding products with Dow, Dupont, Krytox or Huntsman, which are Samaro's partners in the aeronautical market.

France

SARL S.C.E.

SCE is a best-in-class subcontractor for your electrical harnesses and your electronical PCBs, ensuring quality, reactivity end cost-efficiency. Fully experienced on diverse aerospace, defence and drone programs

France

SAT THERMIQUE

Specialist of heat transfer by forced convection

France

SATINOX ASSEMBLAGE

Manufacturing of fasteners

France

SATYS SURFACE TREATMENT GROUP

Company active in aircraft sealing and painting, in engineering and manufacturing of airline & VIP interiors, in cabling and wire assemblies for the energy, medical, aerospace and railway sectors and surface treatment for aero industry.

France

SCHLIGLER SAS

Precision sheet metal

France

SCHRADER SAS

Designs and manufactures valves and pressure control solutions for vehicles and industry.

France

SCHUNK INTEC S.A.R.L

Clamping technology and gripping systems

France

SEGULA TECHNOLOGIES

Leading engineering group offering services, covering the entire lifecycle of civil and military aircraft, from design to maintenance, including engineering, tooling, production and production services.

France

Preliminary list of participants - 26/10/2026

SELHA GROUP - EINEA

EINEA provides a best in class One Site solution for Industrialization and Worldwide supply chain implementation. This new concept optimizes your return on investment from design to end of life.

France

SEM AEROSPATIALE

Treatment of obsolescence on small and very small series

France

SERMA INGENIERIE

SERMA ENGINEERING, a subsidiary of SERMA TECHNOLOGIES GROUP, designs and realises electronic systems.

France

SFGP - SOCIÉTÉ FRANÇAISE DE GRENAILLAGE DE PRÉCONTRAINTE

Aeronautical surface treatments

France

SFIB

Aeronautics fine sheet metal , welding, assembly cell , surface treatment

France

SKILL SOFTWARE

Edition de logiciels

France

SKYINCAP

Skyincap is a French engineering company promoting employment for people with disabilities. It specialises in data and AI, project management, software development and aerospace systems.
16:03

France

SKYPUZZLER

Skypuzzler's core innovation, integrated Digital Air Traffic Control (iDATC), is an advanced Tactical Conflict Resolution Service (CRS) designed to overcome the "one-pilot-one-drone" bottleneck

France

SLICOM TECHNOLOGIES

Slicom Group is a mechanical integrator who ensure a full management of your request, from design up to maintenance. IDeveloping its activity in the main fields of aircraft industry and space, industrial goods production and energy industries.

France

SOFAME

Precision mechanics

France

SOLVIONIC

Development and production of chemical products for batteries, lubricants and catalysts.

France

Preliminary list of participants - 26/10/2026

SOMEPIC TECHNOLOGIE

Specialist in precision engineering of small and medium series for rail, aerospace, defense and tech sectors of industry / Digital manufacturing, assembly, 3D control, delivery of productsunder quality assurance, according to customer drawings

France

SOPAP AUTOMATION -

Specializes in the design and manufacturing of automated industrial equipment and systems for production and assembly processes.

France

SOPRA STERIA GROUP / AEROLINE

Digital transformation leader

France

SPACE AERO

SPACE Aero association's mission is to improve the industrial performance and competitiveness of VSEs / SMEs / ETIs in the Supply Chain.

France

SPECGEN

AI-powered solution for analyzing and responding to complex and confidential tenders.

France

SPRING GROUP

SPRING is a trusted partner in the precision machining market for aerospace components.

France

SQLI SAS

Digital services and consulting company specializing in customer experience, digital transformation, data & AI, e-commerce and application engineering.

France

STI FRANCE

Treatment of surface and coating

France

STOKVIS TAPES

Industrial adhesive solutions and customized technical components for the aerospace, automotive, electronics and medical sectors.

France

STS INDUSTRIE

An industrial services company founded in 1996 in Besançon, we are experienced in precision machining, design, metrology and turnkey industrialisation.

France

SUCHIER SAS

Realization and sale of precision mechanics parts and sets. Manufacturing in digital control. Carbon and the composite machining

France

SUNAERO

Specialized in Rapid Leak Detection, Rapid Sealant Removal and Rapid Curing of sealants, paints and composites for commercial and military aircraft.

France

Preliminary list of participants - 26/10/2026

SUPRAERO EQUIPEMENT

Distributors of components dedicated to the aerospace industry (cables, fasteners, electronic parts, braids, connectors, seat belts and restraint systems, etc.).

France

SYNERGY SCOP

Synergy is a French cooperative promoting employment for people with disabilities. It specialises in electronics manufacturing, wiring, assembly and administrative outsourcing.

France

TALARON SERVICE

Talaron Services is a French IT services company promoting employment for people with disabilities. It specialises in software development, IT support, project engineering and digital transformation.

France

TALENDI

Talendi is a French company promoting employment for people with disabilities. It provides industrial assembly, wiring, maintenance and digital services.

France

TASE - TRUSTED AEROSPACE ENGINEERING EUROPE

We are a global precision manufacturing company, with over 4 decades of industry experience, uniquely positioned to offer superior engineering and manufacturing solutions suited to the needs of our customers worldwide.

France

TECHMETA

The largest service workshop specially designed for part-to-part welding for the European market in the aeronautics, aerospace, automotive, nuclear and defense sectors.

France

TEKEVER

IT, aerospace, defence and security technologies company

France

THALES ALENIA SPACE

Satellite systems and at the forefront of orbital infrastructures

France

THALES ALENIA SPACE

Satellite systems and at the forefront of orbital infrastructures

France

THALES AVS

Leader in the design and conception of navigation systems

France

THALES AVS

Thales AVS France (Thales Avionics) is the core legal and operational entity behind the Avionics Global Business Unit (GBU) of the Thales Group.

France

Preliminary list of participants - 26/10/2026

THALES GLOBAL SERVICES FRANCE SAS

Practical processes and Tools in HW Engineering

France

THERMI LYON

Heat treatments and vacuum Coatings

France

THERMO EST SAS

Manufacturing of resistance probes and thermocouples, mastering of the precision engineering required for making armatures, fittings, flanges, solid-drilled thermowells, providing on-site or laboratory metrology services

France

TH-INDUSTRIE

Ventilation, airflow rates, temperature, humidity, and even transport conditions are all parameters requiring rigorous control to ensure the quality of operations and the availability of equipment.

France

TOULOUSE BUSINESS SCHOOL (TBS)

Education

France

TOULOUSE BUSINESS SCHOOL (TBS)

Navigation, positionnements, télécommunications et terre vivante et espace (établissements de formation)

France

TOULOUSE BUSINESS SCHOOL (TBS)

TBS Education has a rich history in academic excellence and has been training the business leaders of tomorrow for over 120 years. We believe that TBS Education provides students with an outstanding educational experience

France

TRANSFORMATION FEUILLARD SERVICE - TFS

Specializes in the cold processing of ferrous and non-ferrous metal strips, including slitting, cold rolling and surface treatments. The company supplies customized metal solutions to various industries in France and across Europe.

France

TRELLEBORG SEALING SOLUTIONS FRANCE

Leading global supplier of sealing solutions. Our range of products includes O-Rings , hydraulic seals , rotary shaft seals , oil seals , static seals , pneumatic seals , mechanical face seals and many more

France

TRONICO

Tronico offers solutions to many levels, since the wiring card up global solutions "turnkey": study, prototypes, industrialization, production of maps, mechanical and electronic integration, testing, MCO ...

France

TW METALS FRANCE

TW Metals operates an international distribution system supplying tubing, pipe, bar, rod, wire, plate, coil, sheet, aerospace extrusions and specialty products worldwide.

France

Preliminary list of participants - 26/10/2026

UIMM MP-OCCITANIE
Aéronautique
France

UNITED STATES EMBASSY - US COMMERCIAL SERVICE
The U.S. Commercial Service is the trade promotion unit of the U.S. Department of Commerce, International Trade Administration
France

VAN DEN BULCKE CONSULTING
Consulting
France

VERLINGUE-ANTOMA COURTAGE
We address a key element of risk management: transfer to the insurance and reinsurance markets.
France

VISCOTEC
Designs and manufactures high-precision dispensing systems for fluids and pastes used in automated industrial processes.
France

VISUAL PLANNING POWERED BY STILOG I.S.T.
Visual Planning is a complete management solution for planning resources, taking into account business constraints, and managing the assignments of your teams in real time and in the field.
France

VITALO GROUP - STARPLAST
Thermoforming and machining of thermoplastics.
France

VODEA
Recognized for the high quality video products to optimize image processing chain in embedded systems: Mission monitoring, Surveillance and security, Qualification Systems
France

VUICHARD
Actuating cams for control systems, standard micro-defects
France

WIELAND
Copper and copper alloy specialist
France

WIPRO LAUAK FRANCE
Aerospace detail parts, sub assemblies and aircraft structures
France

YG-1 EUROPE
High-performance cutting tools used to manufacture aircraft and engine components
France

Preliminary list of participants - 26/10/2026

ZAJAC MECANIQUE

industrial mechanics, including machining and general mechanical engineering.

France

ZERO INDUSTRIES

Solving navigation for drones in GPS-denied environments, developing an affordable, light, plug-and-play module with AI

France

ZNCI

Non-destructive testing (NDT)

France

ZWICKROELL SARL

We offer innovative testing systems and services for reliable test results in the field of materials and component testing. From tensile, hardness, compression, bending tests to fatigue and functionality tests, We stand for quality and reliability

France

ADDITIVE DRIVES GMBH

Electrical motor customisation

Germany

AEMTEC GMBH

Manufacturing services

Germany

AES AIRCRAFT ELEKTRO/ELEKTRONIK SYSTEM GMBH

Innovative and comprehensive products and services for the international aerospace and maritime industries. Their product portfolio ranges from LED lighting systems and power supplies to communication and information systems for airplane cabins

Germany

AMAG COMPONENTS ÜBERSEE GMBH

Produces aircraft structures and engine components made of aluminium, titanium, and also high temperature resistant nickel-based alloys such as Inconel Hastelloy, and Waspalloy. They also supply readyto-install mounted assemblies

Germany

APEX AUTOMATISIERUNGS & PRÄZISIONSTECHNIK GMBH

A leader in precision technology and the manufacturing of complex assemblies for analytics, particularly for mass spectrometry

Germany

AVANCO COMPOSITES GMBH

We offer measurable competitive advantages through tailor-made components and systems. We accomplish this through our unique combination of expertise for the design and production of high-tech lightweight components made of fiber composites

Germany

BIKAR METALLE GMBH AEROSPACE

A leading German Metal Trader who is specializing in the worldwide distribution of non-ferrous alloys such as aluminium, copper, brass and bronze

Germany

Preliminary list of participants - 26/10/2026

CEVOTEC GMBH

CEVOTEC offers automated composite lay-up systems and software for complex aerospace composites based on Fiber Patch Placement technology, enabling cost & time savings of up to 60%

Germany

DIEHL AVIATION

Leading system supplier of aircraft system and cabin solutions

Germany

DMG MORI EMEA HOLDING GMBH

Manufacturer of machine tools, peripherals and systems, with more than 160,000 installations around the world

Germany

EKPO FUEL CELL TECHNOLOGIES GMBH

Fuell cell

Germany

FREUDENBERG FST GMBH

Rubber and plastics processing; non-woven production; speciality lubricants; household products; systems and tool engineering; research services; informatics; seals and vibration control technology

Germany

HEGGEMANN AG

Landing gears

Germany

HEGGEMANN AG

Engine Components Landing Gear Systems Actuators Mechnical Assembly Automotive Small Scale Production

Germany

HEILIND ELECTRONICS GMBH

Heilind is one of the world's leading distributors for interconnect and electromechanical products. Having franchises with more than 150 of the electronics industry's leading manufacturers, we are able to offer you a extensive product portfolio

Germany

HERONE GMBH

We thrive for bringing your high-performance composite profiles into serial production. We supply the expertise and technology to design and manufacture your future

Germany

HG GRIMME SYSTECH GMBH

Precise milling for lightweight

Germany

HOWMET FASTENING SYSTEMS AICHACH GMBH

Global leader in engineered metal products : fasteners, machined parts

Germany

Preliminary list of participants - 26/10/2026

LEIBER GROUP GMBH & CO. KG

Aluminium forging and machining, leight weight design basing on optimised aluminium alloys for aerospace, automotive and further industrial applications, manufacturing of ready-to-install, anodised products from a single source

Germany

LEUCO LEDERMANN GMBH & CO. KG

LEUCO is one of world?s leading full-range suppliers of solid carbide, carbide and diamond-tipped machine tools including high-end coatings for composite material, wood and plastic processing

Germany

MATZEN & TIMM GMBH

Design, Development, Production and Sales Hoses, Formparts, Lightweight Solution, Noise Reduction Solution

Germany

NABERTHERM GMBH

Nabertherm with 400 employees worldwide have been developing and producing industrial furnaces for many different applications for over 60 years. As a manufacturer, Nabertherm offers the widest and deepest range of furnaces worldwide

Germany

OTEC PRÄZISIONSFINISH GMBH

Partner for perfect surfaces. We build innovative finishing machines which set high standards and achieve perfect process reliability. Manual processing applications results in precise and consistent quality in the shortest possible process time

Germany

OTTO FUCHS KG

Production of aluminium forgings, aluminium extrusions, titanium, magnesium and nickel alloy forgings. Finished parts: machined and painted of high-strength.persyn.ch@otto-fuchs.com

Germany

PRO-BEAM AG & CO. KGAA

Standardized and universal usable machines for welding, hardening and perforation with the electron beam

Germany

PTS PROTOTYPENTEILE UND SYSTEM TECHNIK GMBH

Build to Spec or Build to print design, manufacturing, certification of high pressure or low pressure fuel pipes, lubrification pipes. Hydroforming of critical parts in inconel, stainless steel, titanium, aluminum for ECS, EBU, anti icing & BLEED AIR

Germany

REMYSTAHL GMBH & CO KG

Stockholder for High quality alloyed steel bars, specialty steel bars and nickel alloys.
Shape: Round, Flat, Hexagonal and square

Germany

SAAR PULVERMETALL GMBH

HIP Process, hot isostatic pressing, NADCAP, PM HIP steels, powder metallurgical steels

Germany

Preliminary list of participants - 26/10/2026

SAM GMBH

Former SITEC AEROSPACE GMBH. Actuators & Valves for Hydraulics, Air, Oxygen, Fuel and Water

Germany

SCHUNK GMBH

Technology leader with material and engineering expertise

Germany

SCHÜTZ GMBH & CO. KGAA

Core competence lies in processing metal and plastic. We are committed to the development, production and sale of innovative products and patented manufacturing methods

Germany

SCHWÄBISCHE WERKZEUGMASCHINEN GMBH

A leading international manufacturer of smart manufacturing solutions that range from CNC machining centers with modular automation to self-sufficient manufacturing cells and complete manufacturing systems and associated software solutions

Germany

SGL EPO GMBH

World leader in the development and production of carbon based solutions

Germany

SPK BY CERAMTEC

Innovative cutting materials, such as ceramics, CBN and whisker-reinforced ceramics & tailor-made tool systems

Germany

SUMITOMO ELECTRIC HARTMETALL GMBH

develops and manufactures electrical and electronic products.

Germany

TÜNKERS MASCHIENBAU GMBH

TÜNKERS Group possesses in-depth expertise in the fields of clamping, gripping, forming, welding, bonding, dosing, rotating, conveying and transporting, which we regard as the key modules of modern automation solutions

Germany

VACUTEC HOCHVAKUUM & PRÄZISIONSTECHNIK GMBH

Highly precise components, complex assemblies and complete systems for demanding industrial applications:CNC precision machining,micro- and fine mechanics, complex assembly,vacuum technology, leak-tight components & customized manufacturing solutions

Germany

VICTREX EUROPA GMBH

Victrex partners with aerospace and defence innovators to solve complex engineering challenges through high-performance VICTREX PEEK and LMPAEK polymer and thermoplastic composite solutions.

Germany

Preliminary list of participants - 26/10/2026

WESTDEUTSCHER METALL-HANDEL GMBH

WMH Aluminium Distributer for aerospace industry & system engine. Your specialist for nonferrous metall and semi finished products made of aluminium

Germany

ADANI DEFENCE AND AEROSPACE

Leading capabilities across a wide domain such as unmanned systems, drones, counter drones, missiles, small arms, ammunition, aircraft services, and defence electronics.

India

AXISCADES TECHNOLOGIES LIMITED

AXISCADES is India's leading technology solutions company catering to the futuristic needs of aerospace, defence, heavy engineering, automotive sector, technology products and services, coupled with industry best practices, enable global OEMs

India

BHARAT FORGE

The Aerospace BU business unit is a leading supplier of various components - airframe, structural and engine parts for the aviation sector. We are known to be one of the best aircraft compressor manufacturers in India.

India

DYNATECH TOOLS & DEVICES PVT LTD

AEROSPACE COMPONENT AND SUB ASSEMBLIES MANUFACTURING

India

GARG ASSOCIATES PVT LTD

Wide variety of High Performance Wires and Cables ranging from ultra-miniature Fluoropolymer (PTFE, ETFE and FEP) equipment wire, thermo couple cable, high powered shielded Multicore cables to high speed data bus, low loss and Ethernet cables.

India

INDO-MIM PVT LTD

Indo-MIM is a leading global supplier of precision-engineered products using Metal Injection Molding (MIM) as the core manufacturing technology, with its headquarter in Bangalore

India

JAYASURIYA AERO PVT LTD

An AS9100D Certified & NABL Accredited manufacturing unit based in Chennai, is one of the leading companies in the Design & Development of Airworthy Products.

India

JEANUVS PRIVATE LIMITED

Design and development of Electronics, Mechanical system components manufacturing and Cable harness for Aircraft, Helicopter, Tanks and other industry requirements

India

LOHIA AEROSPACE SYSTEMS PVT LTD

India's first multinational composites MANUFACTURING company . Our world-class facility in Kanpur brings cutting-edge technologies in the composite

India

Preliminary list of participants - 26/10/2026

M/S KALAPURNA STEEL & ENGG PVT LTD

TITANIUM,TITANIUM ALLOYS,NICKEL ALLOY,SUPER ALLOY,AEROSPACE&HIGH TEMPERATURE ALLOYS,RESISTANCE ALLOYS,HEATING ELEMENTS ALLOY THERMOCOUPLE ALLOYS,MAGNETIC CARE IRON ALLOYS,HIGH&LOW EXPANSION ALLOYS,CERAMIC ALLOYS

India

M/S SKYROOT AEROSPACE PRIVATE LIMITED

India's leading private space company offering on-demand satellite launches with Vikram-I and Vikram-II rockets

India

MAHINDRA AEROSTRUCTURES PVT LTD

Manufacturing and assembling critical metallic aircraft and helicopter parts and aerostructures to support turboprops, commercial jets, and rotorcraft systems

India

MARK TECHPRO & CONSULTANTS PVT LTD

Functions as Technical & Business Development Consultant and Manufacturer representatives in India and offers Business development services to the engineering companies from USA & Europe.

India

SANSERA ENGINEERING LTD

committed and highly trusted engineering partner offering precision engineered components, for some of the leading international & domestic automotive & aerospace manufacturers and OEMs

India

SONA SPEED PRIVATE LIMITED

Specialised in design, development and manufacturing in the Electronics, Electricals and Heavy Machineries.

India

TAMIL NADU INDUSTRIAL DEVELOPMENT CORPORATION LIMITED (TIDCO)

TIDCO facilitates large industrial and infrastructure projects in Tamilnadu involving large investments and huge employment potential. TIDCO is the Nodal Agency for the development of Defence Industrial Corridor projects.

India

UNIMECH AEROSPACE AND MANUFACTURING LIMITED

Global provider of high precision engineering solutions specializing in complex product manufacturing We offer build to print and build to specifications services including machining fabrication assembly and testing

India

VAF DEFAERO SYTEMS PRIVATE LIMITED

BRONZE SPONSOR : Machined Aluminum casting with sub-assemblies, coating for defense and aerospace, we are certified with AS9100, NADCAP Certified for RT, FPI& HT with complete high end CNC machine and lab facilities inhouse

India

VENKATESWARA ENGINEERING WORKS

Manufacturer of high-precision components, tools, and fixtures for Aerospace and Oil & Gas applications.

India

Preliminary list of participants - 26/10/2026

WAVE MECHANICS PVT LTD

ARINC 818 products which include the Simulator, Display and Analyser has generated huge interest among the avionics community in India, being the only company in India to have these products

India

BYRNE MECH LIMITED

High-quality, precision components, assemblies, and fabrications to leading manufacturers

Ireland

DPF ENGINEERING

DPF Engineering, established in Carlow in 2003, is a precision engineering specialist, providing High Precision Tooling, Jigs & Fixtures & Complex Machined Parts to highly regulated industries in the Aerospace, Medical Device, Pharmaceutical and Oil

Ireland

EMERALD AERO GROUP

Aerospace cluster for the Republic of Ireland

Ireland

REALTIME TECHNOLOGIES LTD

Realtime Technologies design, manufacture, test, and repair PCB assemblies for many industries, including Space, Aerospace, Automotive, Medical, Renewable Energy among many others.

Ireland

SHANNON PRECISION ENGINEERING LTD

High-precision machined components and complex assemblies. From prototyping, through production to packaging across all materials from aluminium, stainless steel, inconel, titanium, beryllium copper, torlon, super alloys, composites and plastics.

Ireland

T&T PRECISION LIMITED

T & T Precision specialises in the manufacture of precision machined components to customer specification and requirements, from batch production runs to one-off prototypes and development work.

Ireland

TAKUMI PRECISION ENGINEERING LTD

Our expertise in Computer Aided Design allows us to replicate in 2D and/or 3D all of our customers requirements. We have particular expertise in machining “difficult or exotic” materials such as 316L & 17-4 stainless as well as vitallium and titanium

Ireland

A.ABETE SRL

Precision machining in the following areas: aerostructures, engins, defense, aeronautical equipment

Italy

A.L.A. SPA

a global diversified supply chain integrator to the Aerospace, Defense, Power Generation, Rail & High-Tech Industries

Italy

Preliminary list of participants - 26/10/2026

A.Q.C. SRL

Services relating to testing of welds, metallic materials and corrosion tests.

Italy

ADD-ASTRA SRL

ADD-ASTRA S.r.l. (www.add-astra.it) bridges the gap in advanced additive manufacturing through the scientific research, development, and qualification of high-performance polymeric and metallic materials

Italy

AEROSOFT SPA

Advanced Engineering to satisfy aeronautical, automotive and mechanical industry need

Italy

AEROSPACE MATERIALS MANAGEMENT SRL

Distributor for aerospace alloys.

Italy

AIAD - ITALIAN INDUSTRIES FEDERATION FOR AEROSPACE, DEFENCE AND SECURITY

Italian companies for Aerospace, Defense and Security

Italy

AL TI COLOR SRL

Surface treatment company, Nadcap accredited

Italy

ALFA MECCANICA SRL

ALFA MECCANICA is specialized in High Precision Machining (NC multi axis turning and 3-4-5 axis NC milling up to 8 m in lenght), EDM (die sinking , wire cutting and micro boring), Complex Assemblies for Commecial Aviation, Defense and Space.

Italy

ALGRA SPA

ALGRA S.p.A. in fifty years of business has acquired leading positions in the precision machining, working as partner with the most important world leaders in energetic sectors, instrumentation and machine tool.

Italy

ALLINOX COMPONENTS SRL

Realization of sheet metal components specific to the driving aerospace turbines.

Italy

ALTAIR CONSORTIUM

Aerospace applications for civil and defence airplanes, helicopters, UAVs, aircraft engines, missiles, ISS and satellites

Italy

ALTFORM SRL

Manufacture of metal-forming machines and other metalworking machine tools

Italy

ANDREOLI & C. SRL

Mechanical works on behalf of third parts

Italy

Preliminary list of participants - 26/10/2026

ANSER CONSORZIO AERONAUTICA E SPAZIO EMILIA ROMAGNA

Aerospace, Drone, Fixed and Rotary WIngs: systems and sub-systems

Italy

APOSTOLI DANIELE SRL

Logistic

Italy

APR SRL

We move fluids: our Pumps and Valves are essential in Propulsion, Active Thermal Control, and Environmental Control, across Aviation, Defense, and Space domains.

Italy

ARGO DI T.M. FUMAGALLI SRL

Technical rubber components

Italy

ASE SPA

Design, qualification, production and maintenance of electrical systems for aerospace industry.

Italy

ASTI AIRCRAFT SERVICES SRL

Operates since 1992 as Service Provider, with important added value for aeronautic industry, market, either for the final assembly or spares, it's leader in aerospace and defence supply chain provider, with over 30 years of experience in the industry

Italy

ASTRA SRL

Mission and system design of small -satellite and Cube Sat and CubeSat platform modeling small satellite subsystems and ground -segment interactions. Remote sensing design and analysis services

Italy

ATM SRL (ADVANCED TOOLS AND MOULDES)

Manufacturing of tools, fixtures and high precision machining parts in the aerospace and mechanical engineering and automation market

Italy

AVIOMETAL SPA

Metallic (ferrous and non ferrous) raw materials distribution and services

Italy

AVIOREC SRL

AVIOREC operates in the industry of design, industrialization and production of structural parts and components made of composite materials

Italy

BAVA SRL

Design and development of test systems for the aerospace sector dedicated in particular to mechanical transmissions , fludic lubrification and fuel systems, structural and thermo-fluid dynamics tests

Italy

Preliminary list of participants - 26/10/2026

BENOZZI ENGINEERING SRL

Italian company specialized in high precision machining.

Italy

BRANCARO INDUSTRIES SRL

Design, development and production of the lightest and most compact electro-avionics systems.

Italy

BYTEST SRL

NDT services, Ultrasonic testing in immersion tank , X-ray inspection, FPI, MPI, Nital each, Part 145, Pyroschock, Vibration, climate chamber, EMC

Italy

CAMPANIA REGION AEROSPACE DISTRICT - REGIONE CAMPANIA

Campania Region delegation of companies in the aerospace field

Italy

CBS COMPOSITI

Manufacturing of composites

Italy

CELAB SRL

Civil and Military Enviromental Tests (AECTP 100/200/300/400

Italy

CELMAC

SHEET METAL FORMING, DEEP DRAWING, SHEET METAL TOOLING, ASSEMBLY, MACHINING

Italy

CEMB SPA

Italian leading company in the field of balancing and vibration analysis

Italy

CIMA SPA

Manufacturer of precision gears for the most demanding applications in the fields of machinery, automotive, aeronautical applications

Italy

COGNE ACCIAI SPECIALI SPA

Steel production

Italy

COLMEGNA SUD SRL

Heat treatments of metals

Italy

COM STAMP SRL

Italian aerostructure assemblies and tool manufacturer. Tools engineering, tool manufacturing, machining for aerostructure parts, sheet metal forming for aerostructure parts, assemblies assembling, welding, heat treatment and quality and control.

Italy

Preliminary list of participants - 26/10/2026

CONNEX ITALIANA SRL

Connex Italiana markets and distributes electronic and electromechanical components for the most technologically advanced markets.

Italy

CRP TECHNOLOGY SRL

Provider of advanced solutions in the field of additive manufacturing, particularly focusing on 3D printing services with Laser Sintering process and Carbon or Glass fiber filled composites, polyamide-based, of our creation

Italy

DAC - CAMPANIA AEROSPACE DISTRICT

Campania Aerospace District

Italy

DAVI-PROMAU SRL

Manufacturing of plate bending machines for plates and section bending angle roll

Italy

DEAGLE SRL

Our mission is to develop innovative and sustainable turn-key solutions to improve the quality of life by supporting the customers through the integration of our skills and expertise.

Italy

DELVA SRL

Delva S.r.l. It is one of the main material testers and auxiliary teams for the aerospace sector in Italy, offering a wide range of services and personalized solutions to satisfy the needs of its customers.

Italy

DISTRETTO AEROSPAZIALE PIEMONTE

Piedmont Aerospace District

Italy

DREAM INNOVATION

CONSULTANCY FOR REPARATION OF PROPOSAL AND PROJECT MANAGEMENT REGARDING HIGH-TECHNICAL CONTENT IDEAS

Italy

ECOR SKY SRL

Certified and vertically integrated supplier that designs and manufactures assemblies (sheet-metal, hard/flexible pipes, assemblies) and integrated fluid circuits, made of noble materials, installed in aircrafts and spacecrafts.

Italy

ELECTRONSOURCE CO SRL

Manufacturing Relays-Timers-Sensors. Reproducing obsolete items with same Fit, Form & Function

Italy

Preliminary list of participants - 26/10/2026

ESEA AUTOMATION SRL

Since 1980, ESEA designed tailored machines, as - towpreg impregnation machine - AFP and FW machine for CPV - hydraulic, burst and cyclic test machines

Italy

FABRICA MACHINALE SRL - ROBOTICOM

Robotic Solutions for Surface Finishing with Over 150 Robots Installed for Sanding, Polishing, and Bonding

Italy

FIDIA SPA

Manufactures and sells Numerical Controls, Drives and Milling Machines mainly for the automotive, aerospace and energy sectors

Italy

FLAME SPRAY SPA

Advanced Thermal Spray Coating: HVOF, APS, Cold Spray. HIP and Vacuum Heat Treatments. Aluminizing and PtAl. Diffusion Coating.

Italy

FLEXSTRUCTURES ITALIA SRL

Flexstructures Italy: Digital Innovation for Manufacturing Excellence Flexstructures Italy is your ideal technology partner for transforming industrial design and engineering.

Italy

FOMAS SPA

Open die forgings, seamless rolled rings, and metal powders

Italy

G.R. TRATTAMENTI TERMICI

Heat Treating on Steel

Italy

GAVAZZI TESSUTI TECNICI SPA

Technical textile and composite prepreg manufacturer

Italy

GE.FIM

Composites

Italy

GFM SPA

Machining of precision mechanical components

Italy

GROWERMETAL SPA

Growermetal is a leader in the production of security washers, blanked parts according to customer's specification and coiled spring washers for railway.

Italy

GVZ COMPONENTS SRL

OEM sensors and components distributor

Italy

Preliminary list of participants - 26/10/2026

HTT CENTRO AFFILATURA SRL

HTT is a leader manufacturer of custom-made Cutting-Tools for the world's most demanding Aerospace and Defense applications (e.g., Boeing, Airbus, Lockheed Martin).

Italy

IBIDEN EUROPE

Producer of Synthetic Graphite and Carbon Fiber racks for high temperature treatments.

Italy

ICE - ITALIAN TRADE AGENCY

The ICE-Italian Trade Promotion Agency is the government organisation which promotes the internationalization of the Italian companies, in line with the strategies of the Ministry for Economic Development

Italy

IRCA SPA - ZOPPAS INDUSTRIES ITALY

Zoppas Industries is a world leader in the design and manufacture of heating systems and resistors for applications ranging from domestic and professional equipment, to satellites and the automotive sector in well over 200 different market sectors

Italy

ISAG SRL - RUBBER MOULDING

Injection moulding of technical items made of rubber, silicone and metal-rubber.

Italy

ITALDESIGN SPA

Design & engineering company

Italy

JOBS SPA

Production of high-performance milling machines and machining centres, in particular in the field of high-speed and high power/torque continuous 5-axis machining technologies.

Italy

JOINTEK SRL

Hose assemblies for Aerospace hydraulic, fuel and pneumatic systems for low, medium and high pressure applications.

Italy

JULIGHT SRL

Julight invents and manufactures instruments and sensors based on laser and photonic technologies.

Italy

L.M.A. SPA

LMA is specialized in the machining of aluminum, titanium and steel alloys for small, medium and large size parts (up to 8 mt)

Italy

LA MECCANICA PADANA SRL

Manufacturing of mechanical & structural components for Aerospace, Oil & Gas, Petrochemical and Power Energy Industries.

Italy

Preliminary list of participants - 26/10/2026

LABORMET DUE SRL

WE PROVIDE QUALITY CHECK SOLUTIONS, INSTRUMENTS AND SERVICES, SPECIALLY CT SCAN SERVICES

Italy

LAGA SRL

AEROSPACE, DESIGN AND LIGHTING TECHNOLOGY, INDUSTRIAL ELECTRONICS

Italy

LAMIFLEX SPA

Lamiflex is part of the Itema Group which supports the company growth via strategic investments targeted to the continuous development of its well-established business within the aerospace and defense sectors.

Italy

LANULFI SRL

Lanulfi operates internationally, serving over 2,000 clients worldwide with a proven ability to manage projects at every stage.

Italy

LEONARDO COMPANY

Aircraft Manufacturer

Italy

LIDIO POIAN & C. SNC

Specialized in the machining of satellite components, as well as the production of prototypes and flight models for the rover's drilling system for the ESA ExoMars 2022 mission.

Italy

LINCOTEK RUBBIANO SPA

Development of special processes for components used in Industrial Gas Turbines (IGT) and aero engines

Italy

LLS TITANIUM SRL

Manufacturing of titanium and aluminium alloys, special alloys, nichel-based superalloys screws, nuts and small parts, according to standard specifications or customer requirements for aerospace applications.

Italy

LOMBARDIA AEROSPACE CLUSTER

Lombardia aerospace cluster is a network of companies able to integrate difference competences in the aerospace and aeronautic field

Italy

LOMEC SRL SB

LOMEC Srl SB is an Italian aerospace machining company specialized in high-precision CNC turning and milling of complex components and assemblies

Italy

MAROTTA SRL

The company is still a milestone point in Italy for precision machining

Italy

MASPEROTECH SRL

hot forging of non-ferrous materials

Italy

Preliminary list of participants - 26/10/2026

MBE SRL

civil engineering projects that combine technical innovation, environmental sustainability and structural reliability

Italy

MEAPFORNI SRL

MEAPFORNI designs and manufactures systems and lines for the heat treatment of components and materials

Italy

MECCANICA BPR SRL

DESIGN AND PRODUCTION OF HIGH PRECISION MECHANICAL COMPONENTS, GEARS AND MICROGEARS, SLEEVE AND SPOOL VALVES, TRANSMISSIONS AND ACTUATORS

Italy

MED TECHNOLOGY SRL

DISTRIBUTOR AND REP OF MECHANCAL, CHEMICAL AND ELECTRO-MECHANICAL PRODUCTS

Italy

MERLETTI AEROSPACE SRL

Construction and workmanship of complex component for the whole aeronautical industries - Assembly of assy equipment - Special parts and assembly for hydraulic and pneumatic cylinders

Italy

MES GROUP SRL

Design & Technical DOC, Manufacturing, Dimensional Measure

Italy

METITALIA SRL

set to fulfill the increasing needs of engineering, heat treatment, composite process and innovative tooling, jig & rigs, required from space, aeronautical, railway and automotive market.

Italy

MICRO ITALIANA

Precision CNC mechanical machining

Italy

MIKRON PLM SRL

Production of high precision mechanical parts

Italy

NCM SPA

Design, manufacturing, assembly and testing of high technology mechanical components in Aeronautical and Gas Turbines businesses.

Italy

NORBLAST SRL

design and construction of sandblasting and shotpeening machines; sandblasting and shotpeening consulting and service.

Italy

Preliminary list of participants - 26/10/2026

NUBILARIA

Data management solutions through proven processes and flexible software for the healthcare and banking sectors.

Italy

O.V.S. VILLELLA SRL

MANUFACTURER OF AEROSPACE STRUCTURES AND COMPONENTS - WELDING - PIPNG - DUCTING - MACHINING - SHEET METAL - NDI - CHEMICAL PROCESSES - HEAT TREATMENTS

Italy

OEB SRL

High precision mechanical workings on numerical control tools and additive manufacturing

Italy

OFFICINE MECCANICHE IRPINE SRL

Engineering - Design and Build of Aircraft fixtures, jigs, tooling

Italy

OMA SPA

OMA is specialised in three areas of application: aerostructures, actuation equipment and systems, overhauling.

Italy

OMPM OFFICINA MERIDIONALE DI PRECISIONE MECCANICA SRL

Secondary Structures manufacturing in aeronautics, including material procurement, machining, surface processes, assembly

Italy

OMS INDUSTRIES S.R.L.

OMS specializes, since 1982, in very high precision mechanical workings for aerospace, aeronautical and military sectors

Italy

OSUTRA

electromechanical constructions

Italy

PARPAS SPA

Production of multipurpose milling machines for the Aerospace and Defence sector and it has a full line of machines with the most advanced technologies for Milling and Millturn operations on Composite, Alloys, Steels and Superalloys

Italy

PCM SRL

Precision machining of parts for aeronautical application

Italy

PIEMONTE - ITALY

Promotion of Piemonte Region Aerospace Companies (Delegation of companies)

Italy

Preliminary list of participants - 26/10/2026

POELIS TECHNOLOGIES SRL

Poelis is the AI-native platform for system engineering

Italy

PRIMA ELECTRO SPA

designs and manufactures high-reliability embedded power and control electronics for aerospace, defence and mission-critical applications, delivering custom-engineered solutions for environments where reliabilty and performance are essential

Italy

REGLASS HT SRL

Advanced composite designer

Italy

RESCOMP ENGINEERING

RESCOMP Engineering is a spin-off from the University of Padova, founded in 2025 and built on decades of research and industrial collaboration in the field of composite materials.

Italy

RF MICROTECH SRL

Service company developing custom products for industries and system integrators. We cover all areas of RF and microwave technology, and offer innovative solutions for the most demanding applications

Italy

ROBOZE SRL

Operates in the Mechanical and Industrial Engineering sector, in particular in the design and production of industrial 3D printers.

Italy

RO-RA SRL

For over 25 years, RORA has been designing and manufacturing custom rubber gaskets and elastomer components for demanding applications in automotive, aerospace, medical, hydrogen, thermal management and industrial sectors.

Italy

RTM BREDA SRL

Research Testing Materials

Italy

SAEN SRL

Saen S.r.l. is an Italian company specialized since 1971 in co-engineering, high-precision machining.

Italy

SECONDO MONA SPA

Equipment & systems for aerospace, land & naval

Italy

SERIGROUP SRL

SERIGROUP, PRODUCTION OF PRINTED CIRCUIT BOARDS SERIBELL, SILKSCREEN FOR INDUSTRIES

Italy

Preliminary list of participants - 26/10/2026

SERMA SRL

GRINIDING TOOL AND WEAR PARTS

Italy

SESTA LAB

We bring confidence to aerospace and defense players, derisk innovation fast by validating combustion, propulsion and high?speed systems in real operating conditions, before costly integration or flight tests.

Italy

SIDERFORGEROSSI GROUP

The vast range of products and services makes Siderforgerossi Group SpA a front-runner on hot-rolled rings, forgings and closed-die products weighing from 10 kg to 30,000 kg in different types of steel.

Italy

SPECIALINSERT SRL

PRODUCTION AND SALES OF FASTENING SYSTEMS

Italy

SYNAPSES

BlueGPS Real-Time Location Intelligence for MRO Operations BlueGPS tracks tools, equipment, components, and personnel across MRO hangars in real time.

Italy

TAV VACUUM FURNACES SPA

specialized manufacturer of industrial vacuum furnaces for a wide range of applications: heat treatment, sintering, diffusion bonding, advanced ceramics, additive manufacturing, aluminizing, UHV

Italy

TECNIMETAL SRL

Distributes and provides technical support relating to products, tools, equipment and technical fasteners for the optimization and solution of problems in the industrial processes of deburring

Italy

TEMA ENERGY SRL

Production of components and assemblies in metal alloys for gas turbines for energy, aeronautical, defense and space sectors with specific skills in machining, welding, laser drilling, flow testing and non-destructive tests.

Italy

TESI SRL TECNOLOGIE E SERVIZI INNOVATIVI

Production of parts and Assy;Sheet metal Forming;Assemblies;Heat Treatments; Heat Treatments; Production and design of Toolings

Italy

TITANIUM INTERNATIONAL GROUP SRL

TIG is a leading supplier of Titanium, Ni-based alloys, specialized in aerospace materials since 1999. TIG has an integrated quality system EN9100 (production), EN9120 (distribution), 17 OEM qualifications

Italy

Preliminary list of participants - 26/10/2026

TUBIFLEX SPA

specialist in fluid transfer through stainless steel and tape wrapped convoluted PTFE hoses and assemblies; multilayer strip-wound hoses; stainless steel expansion joints and bellows, pliable solutions and metal bent tubes

Italy

TXT E-TECH

Software [Production technologies, accessories]

Italy

UMBRAGROUP SPA

world's leading manufacturer of flight-critical ball screws for flight critical applications, providing innovative, certified and safe solutions for Aerospace, Space & Defense and high-reliability application

Italy

UMBRIA AEROSPACE SYSTEMS SRL

Design, Development and Supply of aircraft actuation systems. both electromechanical and hydraulic (Flap, Trim, Canopy, Brakes). Electronic Control Units both for Actuators (embedded or remote -REU) and Avionics.

Italy

V SYSTEM

V System's core business focuses on welding, bending, and hydroforming of Titanium, Nickel, Steel, and aluminum alloys

Italy

VACUUM SPA

Devices for the vacuum industry

Italy

VECA SPA

Production of high precision components in special alloys like steel, titanium and aluminium, used in motor sports competitions and and aerospace.

Italy

VI-DA SRL

Machining of special precision parts on Customer design

Italy

VIESSE INVESTMENT SRL

Italian-based consulting company, specialized in advisoring and partnering with businesses that need operational excellence support to create exponential growth (organic and inorganic).

Italy

VIMI FASTENERS SPA

Fasteners manufacturing

Italy

VINCENTI OFFICINE SRL PROJECT & PROTOTYPES

Precision mechanical workshop specializing in chip removal operations using milling machines, lathes, and grinders, wire and die-sinking EDM, 3D CAD and CAM design, and additive manufacturing.

Italy

Preliminary list of participants - 26/10/2026

ZANNINI SPA
The Zannini Group specializes in the manufacturing of turned metal small parts, high-precision mechanical components, and special components.

Italy

AICHI-NAGOYA AEROSPACE CONSORTIUM (ANAC)
Largest aerospace cluster in Japan.

Japan

ARUM INC.
ARUM provides automation solutions for manufacturers. Our TTMC fully automated machining center and ARUMCODE automate programming and machining, improving productivity, reducing labor dependency, and enabling sustainable growth.

Japan

CHUO ENGINEERING CO., LTD
Our business is focused primarily on the design and analysis of aerospace vehicles. We offer fast structural stress sizing services using “HyperX” software. With our extensive experience and technology, we can meet your schedule and weight requests.

Japan

COMPOSITE TAILORS CO., LTD
Composite Tailors develops and manufactures ultra-lightweight CFRP space telescopes and optical systems, leveraging advanced composite technologies for satellite observation and optical communications.

Japan

CREATIVE TECHNOLOGY CORPORATION
Specializes in the development, manufacturing, and sale of electrostatic chucks and precision material-handling equipment for the semiconductor and electronics industries.

Japan

DAI-ICHI DENTSU LTD
Development, manufacturing, and sales of automated assembly equipment, including servo nutrunners, servo presses, handheld nutrunners, and custom labor-saving assembly systems.

Japan

DAINICHI MANUFACTURING CO., LTD
Precision equipment parts / machining and assembly to completion ISO 9001 certification <Head office & 3rd plant> JIS Q 9100 certification <Head office & 3rd plant> (machining of aircraft parts)

Japan

FUKUSHIMA PREFECTURAL GOVERNMENT

Japan

GIFU PREFECTURE (GIFU AEROSPACE MANUFACTURING AND PROCESSING PROFESSIONALS)
Supporting companies in Gifu prefecture to develop its activity in aerospace industry.

Japan

Preliminary list of participants - 26/10/2026

GOKO-DENKO CO. LTD

Design, trial production and production of motors and their components / Selection and purchase of materials / Process design / Component design

Japan

HYOGO PREFECTURAL GOVERNMENT

Promotion of aerospace industry in Hyogo prefecture.

Japan

ISOGAMI GEAR MANUFACTURE CO.LTD

Gear (M0.5-25, F15-2350mm) and shaft shaping, hobbing, turning, lathing, machining. Lathing available for F30mm-F1949mm.

Japan

IWATA MACHINERY WORKS LTD

We specialize in precision parts machining of difficult-to-machine and difficult-to-shape materials such as titanium and Inconel used in aerospace. We also offer in-house design and assembly services to meet R&D and other needs.

Japan

MEIDOH CO., LTD

Manufactures high-strength bolts and precision cold-forged components for the automotive industry.

Japan

METALIX INC.

Distributing special steel including JIS(Japanese Standard) material and Aerospace special steel.

Japan

MITA KOSAKU CO., LTD

We propose new packaging designs that are environmentally friendly and conscious of pre- and post-process improvements in the aerospace industry.

Japan

NAGOYA CHAMBER OF COMMERCE & INDUSTRY

The Nagoya Chamber of Commerce and Industry is an economic organization supporting over 17,000 companies, mainly SMEs in Nagoya. We promote the region's manufacturing industry through exhibitions, business meetings, seminars, and study tours.

Japan

NEW INDUSTRY RESEARCH ORGANIZATION

New Industry Research Organization (NIRO) provides a wide range of support to small and medium enterprises in Hyogo Prefecture and Kansai area with business matching, capacity building, obtaining subsidies, etc.

Japan

NIKKO SANGYO CO. LTD

Forming components from steel tubing or partially processed punch-process parts.

Japan

PRODRONE

World-leading developer and manufacturer of unmanned aerial vehicles (UAVs)

Japan

Preliminary list of participants - 26/10/2026

SORAMATERIALS INC.
We are a startup creating ultra-lightweight materials with air-like density for aerospace. These materials are lightweight and provide sound insulation and electromagnetic shielding properties. We are developing them with Nagoya University.

Japan

TAKAGI STEEL CO., LTD
Support for efficiency in manufacturing - Proposing the best partner for each process in the manufacturing network! We will guide you to solve each problem.

Japan

UCHIDA CO., LTD
In the field of composites (mainly CFRP), UCHIDA will further expand into these fields by leveraging its expertise in R&D and high-mix low-volume production in the motorcycle, automobile, aerospace, and defense fields.

Japan

YAMADA POWER UNIT CO., LTD
YPU is a start-up company established in 2024. We offer defense power units, power units for electric aircraft, prototype development, and contracted development with high performance from design including R&D to manufacturing.

Japan

YAMAMOTO ELECTRIC WORKS CO., LTD
We are a development-focused company with expertise in differential pressure measurement and system control. Our products lead the domestic market, and we develop aerospace components and hydrogen technologies, including LH2 sensors in R&D.

Japan

KRONUS SIA
Kronus is the leading manufacturer of wooden pallet collars in the world.

Latvia

KRONUS SIA
Kronus is the leading manufacturer of wooden pallet collars in the world.

Latvia

ANG
Precision CNC machining and plasma nitriding of high-performance mechanical components for aerospace, defense and industrial applications.

Luxembourg

CTI SYSTEMS
Smart Solutions for Intralogistics, Surface Treatment & Aviation

Luxembourg

Preliminary list of participants - 26/10/2026

COMPOSITES TECHNOLOGY RESEARCH MALAYSIA SDN BHD (CTRM)

Developing and Producing aircraft composites components and investment holding, investing in designing, developing and manufacturing of composites for aerospace and non aerospace application

Malaysia

HYRSA AEROSPACE

HYRSA Aerospace manufactures high-precision metal and hardware components for the aerospace and industrial sectors using computer numerical control (CNC) machining technology

Mexico

GIMAS

Moroccan Aerospace Association gathering 140 aerospace companies established in Morocco operating in different fields of aerospace industry such as engineering (design & conception), assembly of parts and aerostructures, composites, electronics...

Morocco

NIGERIAN CIVIL AVIATION AUTHORITY

Nigeria

COLLINS AEROSPACE (POLAND)

Collins Aerospace, a unit of Raytheon Technologies Corp, is a leader in technologically advanced and intelligent solutions for the global aerospace and defense industry.

Poland

PVS MOLDES S.A.

Plastics Manufacturing

Portugal

TECNOLANEMA

Distribution of Engineering Plastics & Technical Aluminium

Portugal

AEROSTAR SA

Manufacture of aeronautical products; civil aviation MRO; defence aero, ground and navy systems, production and integrations.

Romania

ALRO SA

The largest aluminium smelter in Central and Eastern Europe.

Romania

CAMP CO., LTD

he Development and subdividing of other real estate sector.

South Korea

GYEONGNAM TECHNOPARK (GNTP)

Supporting Korean Aerospace Companies

South Korea

HANKUK CARBON CO LTD

Aerospace Composite Material

South Korea

Preliminary list of participants - 26/10/2026

KASA (KOREA AEROSPACE ADMINISTRATION)
Korean government-funded space and aeronautics agency

South Korea

KOREA COMPOSITES INC.
Composite parts & Tooling, Assembly

South Korea

KP AERO INDUSTRIES CO. LTD
Jig & fixture, machining parts,assembly line

South Korea

NDT ENGINEERING & AEROSPACE
Non destructive testing system

South Korea

SUNGHO ELECTRONICS CORP.
Sungho Electronics specializes in the design, development, and production of high-reliability cable and wiring harness assemblies, electrical control units, and power distribution systems for the defense and aerospace industries.

South Korea

TESTCOR CO., LTD
Specializes in precision materials testing, evaluation services, and the manufacture of aerospace-grade hardware and testing machines.

South Korea

TURMASOL CO., LTD
Aerospace and gas turbine component manufacturer

South Korea

WOORIM POWER TRAIN SOLUTION CO., LTD
Precision Gear & Gear Box, Transmission, Reducer Machining, Assembly, Test

South Korea

ACCIO - TRADE AND COMPETITIVENESS - BARCELONA
Driving business competitiveness, corporate innovation, and international growth for Catalan companies while attracting foreign direct investment to Catalonia.

Spain

AERA - ARAGONIAN AEROSPACE CLUSTER
non-profit association that brings together companies and public and private entities linked to the Aragonese aeronautical, aerospace, and defense industries, as well as centers for knowledge generation and transfer

Spain

AEROS ECOSYSTEM
To drive innovation and collaboration among companies in the aerospace sector to develop advanced technological solutions and strengthen their competitiveness.

Spain

Preliminary list of participants - 26/10/2026

AEROSM

Specialized consultancies and be your partner in the aerospace sector. Defense expert for global business strategy and development

Spain

AEROTECNIC

Integral and complete service in management and manufacture of elemental and aeronautical structure. Main activities: Metal Materials: Machining, Milling and Turning (CNC 3,4,5 axis), Trimming by CNC, Grinding, Composite Machining (CNC 5 axis).

Spain

AIRBUS DEFENCE AND SPACE

Airbus Defence and Space SAS is a division of Airbus responsible for defence and aerospace products and services

Spain

AIRTIFICIAL AEROSPACE & DEFENSE, SAU

Designs, engineers, and manufactures composite parts and structures for use in aerospace, automotive, civil works, railway, and security industries worldwide

Spain

ANDALUCIA TRADE

Bring together the activity of support to the business sector to favor the promotion of investments, internationalization, the promotion of R & D, entrepreneurship and self-employment

Spain

ARATZ

Industrial Machinery Manufacturing

Spain

AUTOMACH INGENIERIA

Industrial Machinery Manufacturing

Spain

BASQUE COUNTRY TECHNOLOGY PARK

The Basque Country Technology Park is distributed across nine Campuses spread throughout the Basque Country Autonomous Community, a strategic location thanks to its excellent connections and communication networks

Spain

BITRON ESPAÑA

Mechatronic devices for automotive, appliances, HVAC

Spain

BURDINBERRI

Manufacturers of some of the most complex and largest tools for producing carbon fibre aircraft structures

Spain

CAMARA OFICIAL DE COMERCIO E INDUSTRIA DE ALAVA

The Chamber of Commerce offers businesses training and advice on issues of Internationalization, Industry & Trade

Spain

Preliminary list of participants - 26/10/2026

CEIT-CENTRO DE ESTUDIOS E INVESTIGACIONES TECNICAS

Non-profit technology center, created on the initiative of the University of Navarra in 1982, and whose main task is to carry out industrial research projects in close collaboration with the R&D departments of the companies

Spain

DANOBAT

Advanced machining solutions for critical components of the landing gear and aircraft engines (rotor, stator and main shafts) are supplied to OEM-s and the leading airlines world-wide

Spain

DEM BARCELONA

Custom Precision Machining Engineering Services for Toolings and special machinery

Spain

DESARROLLOS TECNOLOGICOS KINTANA S.L.

Focused on pressure elements, aeronautics and equipment goods

Spain

DISTEVI GRUPO

Process engineering specialized in the development and construction of automated lines and machines for the assembly of automotive components and product manufacturing

Spain

DIVIPREC

Precision-ground and machined components for the aeronautical industry, specialising in the manufacture of HIRTH crowns with high precision CURVIC gearing and our own products

Spain

DIVIPREC

Precision-ground and machined components for the aeronautical industry, specialising in the manufacture of HIRTH crowns with high precision CURVIC gearing and our own products

Spain

DMD AERONAUTICS ENGINEERING SL - BETWEENTECH

IT and engineering technology consulting

Spain

DUALYS

Strategic consulting for defense supply chain

Spain

EGA MASTER, SA

Non-sparking tools. 1000V insulated tools. Hand tool manufacturer - Torque wrench - ESD - VDE tools - Threading machines - Slogging wrench ...

Spain

EGILE MECHANICS SLU - DMP AERO

Manufacturing and assembly of complex components for transmission and dynamic systems

Spain

Preliminary list of participants - 26/10/2026

EIPC - EIBAR PRECISION CASTING S.L.
Production of aluminum, steel and superalloy components by the process of lost wax (microfusion)

Spain

ENGRANAJES URETA, SA
Specialists in precision gears

Spain

EUROUTIL
Designing and manufacturing of high-quality moulds and tooling for gravity and low-pressure casting in the iron and aluminum industries

Spain

FIDAMC
The main areas of interest for FIDAMC are those directly related to advanced composite material technologies, including: Automated lay-up, Advanced Composites Liquid Molding, Pre-forming / Hot-forming, Joining and Assembly Technology

Spain

FUNDACION TECNALIA RESEARCH AND INNOVATION
Tecnalia Corporación Tecnológica is a strategic alliance established in 2001. It is currently formed by AZTI-Tecnalia, NEIKER-Tecnalia and TECNALIA Research & Innovation

Spain

GALVATEC
Build-to-print manufacturing of metallic components

Spain

GAZC
Spanish leading manufacturer of metalic parts, covering machining, sheet metal, surface treatments, assembly

Spain

GSC, SEVILLA CONTROL S.A.
Design and manufacturing of integral packages. Design, material purchasing, manufacturing of metalic and electrical detail parts, final processes, aeroestrctures assemblies, support and aircraft transformations.

Spain

GUTMAR, SA MECANICA DE PRECISION
Specialized in precision mechanical engineering and manufacturing for high-value-added sectors: aeronautics, space, defense and security

Spain

HEGAN - BASQUE AEROSPACE CLUSTER
HEGAN is a private non-profit groups of the Basque aerospace sector

Spain

IBERIA COMPOSITECH MANUFACTURING S.L.
We master the diversity of composites, specializing in parts made of carbon fibers, glass fiber and aramid fiber.

Spain

Preliminary list of participants - 26/10/2026

IDEC INGENIERIA Y DESARROLLO EN COMPOSITES S.L.
Complete Solutions in the field of Autoclave Advanced Composites
Spain

IMAGINDARE, S.L.
Plastic injection parts / CNC machinning
Spain

INDUSTRIAS DELTA VIGO, SL
Tooling design and manufacturing, Industrial automation / Robotics, Composites manufacturing by impregnation processes (RTM, LRI), Automated composite preforms manufacturing, Mechanical fabrication and welding
Spain

INMAPA AERONAUTICA SLU
Design, manufacturing, assembly, star-up and technical
Spain

ISOSTATIC TOLL SERVICES BILBAO SL
Supported by our innovator HIP systems designed by American owned American Isostatic Presses (AIP), we strive to provide the best prices and turn around times in the industry.
Spain

ITP AERO
Spanish aero engine and gas turbine manufacturer
Spain

JFM MOLDES Y MATRICES
Specialists in the design and manufacture of molds and dies for industrial processes, providing tailor-made solutions for material transformation.
Spain

KHEGAL AERONAUTICA
Process engineering and machining
Spain

KORTA GROUP
Specialised in the production of high Precision Ball Screws, and over all these years they have supplied all the major machine tool manufacturers around the world
Spain

LAZPIUR MECHANICS S.L.U.
We count on a dedicated and experienced team, delivering a premium service to any business operation, in both Machines and Mechanics
Spain

MADIT METAL SL
MADIT is a company specialized in the design and manufacture by means of metallic 3D printing (metallic additive manufacturing) and the post-processes necessary to carry out the surface finishes and obtain the final piece
Spain

MECANITZATS PRIVAT SL
CNC machining and precision assemblies
Spain

Preliminary list of participants - 26/10/2026

MECANIZADOS VITORIA S A

Commercial and Service Industry Machinery Manufacturing

Spain

MECANIZADOS Y MONTAJES AERONAUTICOS SA

Specialized in the manufacture of sheet metal components and detail parts that meets the sector's needs and requirements

Spain

MESIMA BILBAO, SA

Warehouse, cut and transformation of aluminum and other metals

Spain

MOL-MATRIC, SCCL

Automotive stamping dies and tooling manufacturing

Spain

MPB AEROSPACE

Cabin Interiors, Design Software, Machining, Manufacturing Services, Mechanical Components, Non-Destructive Testing, Structural Components, Surface Treatment, Test Services, Tooling

Spain

MYL SPINDLES GROUP

Designing, making and repairing spindles for machine tools

Spain

ONA ELECTROEROSION, SA

World's oldest EDM machine manufacturer, the European Union's first and one of the world's most important manufacturers

Spain

OUTRIGO

Engineering design and development consultancy

Spain

PLD SPACE

Aviation and Aerospace Component Manufacturing

Spain

PMA - PRECISION MANUFACTURING AEROSPACE

Design, machining, treatment and quality of machined parts for aerospace use with the latest machinery and technologies

Spain

QEMLE ROBOTICS

Design and manufacture high-performance motion Traction Systems and Geared Motor Wheels for AMRs and AGVs

Spain

SALLEN AVIACION, SA

Manufacture of precision mechanical parts and composites for aerospace, industrial and defenses. Manufacturing sheet metal and mold for the aerospace sector.

Spain

Preliminary list of participants - 26/10/2026

SUBCONTRATACIONES INDUSTRIALES SA - GRUPO SUINSA

Precision machining and equipment assembly

Spain

TITANIA, ENSAYOS Y PROYECTOS INDUSTRIALES S.L.

Quality control testing of aerospace materials

Spain

TRIMEK - INNOVALIA

Software development for on machine metrology

Spain

TTTGROUP

Surface treatment for the aerospace Industry

Spain

TUBACEX GROUP

TUBACEX Group provides tubular solutions in the five continents. TUBACEX is a global leader in the manufacture of high value-added products in advanced stainless steels and special alloys for the energy and mobility sectors

Spain

TURCO ESPANOLA

Since 1962 developing and manufacturing approved aerospace process chemicals for surface-treatment operations serving OEM, MRO and Defense, with Aeromasking® focused on chemical milling masking

Spain

WOLCO

Wolco is a company specialized in the design and manufacture of special cutting tools that offers solutions tailored to our customers. We work with our clients jointly to develop the tools that provide greater profitability to their products

Spain

SAAB AEROTECH

Sweden

SATCUBE AB

Satcube is a disruptive development company in the satellite communications arena that manufactures game-changing portable satellite terminals to enable high-performance broadband - anywhere on the planet, quickly and cost-effectively.

Sweden

ARCLIN (DUPONT INTERNATIONAL OPERATIONS SARL)

Manufacturers of honeycomb structures

Switzerland

CONNOVA AG

CONNOVA offers every step on the path to an industrial composite component

Switzerland

ELANTAS EUROPE AG (VON ROLL MANAGEMENT AG)

Composites for Aerospace, Ballistic, Thermal Insulation

Switzerland

Preliminary list of participants - 26/10/2026

ELIX SYSTEMS SA

Enhance your AI at the edge with size, weight and power optimized rugged computing solutions

Switzerland

GAIN

Our group of Aircraft subcontractors builds and provides a complete solution to major Original Equipment Manufacturers (OEMs) in a one stop shop format for managing sub assemblies or work packages in either metal fabrication or electronic systems.

Switzerland

JEAN GALLAY SA

Jean Gallay SA is a specialist in machining, forming, welding, plasma spray coatings and heat treatment of superalloy components for the use in extreme operating conditions

Switzerland

KUDELSKI SECURITY

Today's connected enterprises can't afford to wait for an attack before they tune their security defenses

Switzerland

KUGLER BIMETAL

The Bimetal solutions combine a bronze coating on a steel substrate, achieving higher tribological and mechanical performance, functional design and outstanding power density

Switzerland

MABI ROBOTIC AG

MABI Robotic AG has made a name for itself as a leading Swiss company in CNC robotics

Switzerland

NIKLAUS SA

Repeatable, industrial quality for the surface treatment of your parts.

Switzerland

NOVAMENTAL SA

Novametal is an international group with HQ in Switzerland producing superalloys, high-performance stainless steel, nickel alloy, titanium and aluminum drawn wire.

Switzerland

PILATUS AIRCRAFT LTD

Aircraft manufacturer (turboprop aircraft and business jets for civil, government, and military customers.

Switzerland

PRECI-DIP SA

PRECI-DIP is a major provider of standard and customized connectors

Switzerland

PX GROUP

PX GROUP is a leading industrial group providing high-precision components and advanced materials for aerospace, energy, and medical industries

Switzerland

Preliminary list of participants - 26/10/2026

REGLOPLAS AG

Regloplas is a Swiss manufacturer of intelligent temperature control and cooling systems for industrial applications

Switzerland

SARIX SA

High Precision Micro Erosion Technology - 3D Micro EDM Milling

Switzerland

TOTAL MATERIA AG

Total Materia solutions, including Horizon, GreenLine, and Integrator, are used globally to optimize material selection, improve product performance, and facilitate sustainable engineering practices

Switzerland

WILLEMIN-MACODEL SA

Specialized in the development and manufacture of high-precision machine tools with the ability to offer robotization solutions for its machines

Switzerland

BAL SEAL ENGINEERING EUROPE

Custom-engineer sealing, connecting, conducting and shielding solutions

The Netherlands

MIFA ALUMINIUM BV

Profilage de précision de l'aluminium. - Fonderie de précision par cire perdue pour l'acier et l'aluminium. (- Precision extrusion in aluminium. - Lost wax precision casting in steel and aluminium) Usinage. - Traitement de surface. (- Machining

The Netherlands

AMECAP

Precision turning on cam-operated and CNC lathes.

Tunisia

ONETECH GROUP

Mechatronics: PCBs, PCBAs, EMS, wiring harnesses, and plastic injection molding

Tunisia

SAFRAN TUNISIE

Purchasing department

Tunisia

ANOVA ENGINEERING

Anova is a Computer Aided Engineering Company representing well known global engineering software companies like ANSYS, Flowmaster, ConceptsNREC but we also make consultancy projects to our domestic and international clients

Turkey

COSKUNOZ AEROSPACE INC.

Defense & aerospace production, assemblies, system & subsystem integrations

Turkey

Preliminary list of participants - 26/10/2026

HEZARFEN SAVUNMA VE HAVACILIK SANAYI TIC. LTD STI

Hezarfen Defence and Aerospace Ltd. Co. focuses on sub-assemblies for aircraft and helicopter components. Hezarfen is an approved subcontractor of TAI (Turkish Aerospace Industries) since 2012

Turkey

KALE HAVACILIK SANAYI A.S.

KALE is a leading provider of structural components, assemblies and kits to the aerospace industry

Turkey

TURKISH AEROSPACE INDUSTRIES

Manufacturing, overhaul of aeroengine parts

Turkey

TUSAS ENGINE INDUSTRIES INC (TEI)

Manufacturing, overhaul of aeroengine parts

Turkey

IVCHENKO PROGRESS, SE

Designing, manufacturing, test, operational development, certification and repair gas turbine engines of air and industrial applications.

Ukraine

SUPREME COUNCIL OF UKRAINE

Supreme Council of Ukraine, Industrial Policy Committee

Ukraine

ABOUND AEROSPACE LTD

Master distributor that has reliably supplied general hardware, ring-lock products, & tooling to over 6,000 customers operating in the aerospace and defense industry

United Kingdom

ADEPT FASTENERS

Stocking Distributor of Aerospace Fasteners, Bearings and Tooling

United Kingdom

ADS GROUP LIMITED

ADS is the Premier Trade Organisation for companies in the UK Aerospace, Defence, Security and Space Sectors. Membership is made up of over 1000 UK registered businesses.

United Kingdom

ADVANEX EUROPE LTD

Specialise in metal and plastic components, springs and assemblies, supplying a diverse range of markets from agriculture and automotive through to medical and aerospace.

United Kingdom

AERO METALS ALLIANCE

An alliance of five world-class metal suppliers united to create a unique offering that brings together product ranges, processing capabilities and services that will enhance the supply chain for customers, wherever they are in the world.

United Kingdom

Preliminary list of participants - 26/10/2026

BOEING DISTRIBUTION SERVICES

As a world-leading full service provider of inventory management solutions, Boeing Distribution Services provides an array of solutions designed to increase your productivity while lowering your investment costs.

United Kingdom

CLARENDON SPECIALTY FASTENERS

Clarendon Specialty Fasteners is a leading stockist and distributor of fastening systems to the Aerospace, Motorsport, Defence and Industrial markets

United Kingdom

DENROY PLASTICS LTD

Plastics injection molding: Denroy offers an integrated design, tooling and manufacturing operation providing clients with a single source solution from concept design to full volume production

United Kingdom

FENNER PRECISION

Fenner Precision is a global engineered solutions leader, with a single-minded purpose: to provide world class, precision-engineered elastomeric solutions that help our customers succeed.

United Kingdom

FORD AEROSPACE LTD

High precision engineering and pressing of components for the aerospace, automotive, laminated products and other high-technology industries

United Kingdom

INDEPENDENT FORGINGS & ALLOYS LTD

Manufacturer of high integrity forgings for the aerospace industry

United Kingdom

PERRYMAN EUROPE LTD

Fully Integrated Titanium Manufacturing

United Kingdom

SENIOR AEROSPACE

Manufacturer of complex precision components, and sub assemblies predominantly for the aerospace market.

United Kingdom

SMITHS ADVANCED METALS

Specialising in the supply of a complete range of metals and plastics including Stainless Steels, Aluminium, Tungsten, Magnesium and Titanium to High Technology Industries

United Kingdom

SPECIALISED POLYMER ENGINEERING LTD

Aircraft Seal & Polymer Engineering

United Kingdom

SSS SUPER ALLOYS LTD

OEM approved Nickel Alloy distribution specialist

United Kingdom

Preliminary list of participants - 26/10/2026

AEROFLOW TECHNOLOGIES

Manufacture complex, tube-based solutions to aerospace and high-technology markets, including product solutions for fluid transfer and structural component designs.

USA

ALKEGEN

Alkegen is a world leader in filtration and catalysis media, specialty insulation used for fossil fuel reduction and emission control

USA

AMERICAN AEROSPACE CONTROLS INC

High-Reliability Voltage and Current Sensors for Harsh Environments

USA

BLUESHIFT MATERIALS

Blueshift produces AeroZero® Thermal Protection Systems for high performance product designs.

USA

BOEING COMMERCIAL AIRPLANES

As a leading global aerospace company, Boeing develops, manufactures and services commercial airplanes, defense products and space systems for customers in more than 150 countries

USA

CAVOK LLC

Business collective committed to helping European aerospace companies successfully expand into the U.S. market

USA

CNW - COURIER NETWORK

Expedited Shipment Services & International Courier Solutions

USA

DAYTON-GRANGER, INC

Leader in the design, testing, and manufacture of antennas, electrostatics and lightning protection products ranks among the most experienced suppliers of avionics products worldwide

USA

DUST IDENTITY

Long-lasting solutions that solve our customers' need for more control over their brand, products, and parts.

USA

FDH AERO

Distribution de fixations et visserie aéronautiques pour une large gamme de programmes avec des applications civiles, militaires et de défense. Distribution de connectique Distribution de produits chimiques

USA

Preliminary list of participants - 26/10/2026

FUTURE METALS

At Future Metals we are a leading supplier of aerospace quality metals and other materials to the global aircraft manufacturing and maintenance industry.

USA

HO-HO-KUS INC

Designs and manufactures products for the aerospace sector: cockpits, interiors, cargo systems, landing gear, wheels and brakes, structures, propulsion, and nacelles

USA

ITT CONTROLS

Manufacturer of critical, engineered components that serve fast-growing end markets in transportation, flow, energy, aerospace and defense

USA

JONAL LABORATORIES

Researchers, Engineers, and Manufacturers of Custom High Temperature Elastomeric Seals and Products

USA

LAMBDA FUNCTION, INC.

Precision machining through vertical-specific AI. Our product integrates with leading CAM software and CNC machine tools, delivering CNC programming automation, advanced process control

USA

MASTER FLUID SOLUTIONS

Aerospace premium TRIM fluids meet aerospace manufacturers' high-tech alloy machining needs to ensure repeatability and dramatically reduce expensive tooling costs.

USA

MATTCO FORGE, INC

Forged products: seamless rolled rings, contoured rolled rings, bar and upset forgings

USA

METAL FINISHING CO

Non-Destructive Testing of Metal and Composite Parts and Materials, Heat Treatment

USA

NOVARIA GROUP

Novaria Group is a cohesive family of precision component companies that consistently delivers optimum performance and sustainable growth with the aerospace and defense marketplace.

USA

PENNAERO GROUP - ENGINEERED COMPONENTS

Pennaero's Engineered Components Division develops complex, custom-engineered parts for aerospace and industrial applications. The division focuses on advanced manufacturing, innovation, and high-quality solutions tailored to customer requirements.

USA

Preliminary list of participants - 26/10/2026

PENNAERO GROUP - FASTENERS

High-strength aerospace fasteners engineered for critical structural and mechanical applications, including precision head and drive configurations used across flight-critical systems.

USA

PERMAG

Permag is a leading provider of engineered magnetic solutions through its portfolio of specialized brands—Dexter Magnetic Technologies, Electron Energy Corporation (EEC), and Magnetic Component Engineering (MCE).

USA

PROMED MOLDED PRODUCTS INC.

ProMed Molded Products is a contract manufacturer of custom injection molded silicone and thermoplastic parts and assemblies.

USA

PROPONENT INC

Aerospace MRO distribution company - KAPCO EUROPE

USA

SERVICE STEEL AEROSPACE CORP. SEATTLE

One of the largest aerospace steel and titanium distributors in the world. SSA stocks a vast selection of aerospace quality steel and titanium products for the aerospace industry as well as other critical application industries

USA

SOUTH CAROLINA DEPARTMENT OF COMMERCE

With a world-class business environment, skilled workforce, solid transportation infrastructure, emerging innovation sector and close proximity to manufacturing firms in diverse industries, SC attracts capital investment from around the world

USA

STS METALS

Specialty metals manufacturer delivering high-performance titanium, stainless steel, and nickel alloys to the world's most demanding industries.

USA

TITANIUM INDUSTRIES INC

Titanium Industries provides quality products, at competitive prices, with the quickest deliveries. We have 14 worldwide locations and offer the largest selection of titanium bar, plate, sheet, pipe, tube and more.

USA

UNITED PERFORMANCE METALS

A global distributor of high-performance metals serving customers in a variety of industries, including Aerospace, Fastener, Medical, Power Generation, Oil and Gas, Semiconductor and many others.

USA

WASHINGTON STATE DEPARTMENT OF COMMERCE

The Washington State Department of Commerce offers no-cost international trade assistance to Washington companies.

USA

Preliminary list of participants - 26/10/2026

WELDALOY SPECIALTY FORGINGS

Single source forging and machining provider. From raw material processing to shipping, and everything in between—our vertical integration process allows us to efficiently deliver quality forged part

USA

WG HENSCHEN

WG Henschen is one of the largest distributors of ring-locked fluid fittings, studs, inserts and installation tooling. Though our strength is in the ring-locked product line, we also specialize in Mil-Spec fasteners and fittings. In addition to piece

USA

YELLOW GREEN AEROSPACE COMPANY

Solution for aviation logistics: We streamline procurement, inventory management, and distribution, ensuring airlines and MRO facilities access critical spare parts promptly

USA
