General organization:

In partnership with:

## WHAT IS THE GREEN AVIATION VILLAGE ?

Once again, Aeromart Toulouse will feature an entire area on the main show floor to showcase the latest innovations for a greener aerospace industry.

## GAIN MORE EXPOSURE AT AEROMART TOULOUSE

- **A prime location**  
Your own equipped space within the Aeromart Toulouse Green Aviation Village alongside other industry leaders
- **Promote yourself as green innovator**  
Your company name and a description of your solutions will be published in the “Green Aviation” section of the Aeromart online catalogue
- Connect with targeted companies and potential business partners
- Get the opportunity to **showcase your solutions to a targeted audience via a pitch session.**

## AEROMART TOULOUSE KEY FIGURES

**45**  
countries

**1500**  
companies

**3000**  
participants

**16,000**  
B2B meetings

The Green Aviation Village is part of a larger initiative by BCI Aerospace to support and promote a greener aerospace industry.

The concept was previously a success at :
